

## Razmadze Nana

### list of works

#	Name	printed el. version	publishing house, Journal (name, number, year)	Number of pages	Names of co-authors
1	"Improvement of statistical data on accidents in construction taking into account new legal regulations"	printed	Scientific engineering informational analytical reference "Mining Journal", #1(46). 2023.	Pages: 76-78.	N.Ratiani, A.Korkotadze
2	"Labor protection and safety at workplaces"	printed	International refereed journal "Oil and Gas", #34 2021.	Pages: 139-143.	M.Kitoshvili
3	"Assessing construction risk factors and ensuring safety".	printed	International Scientific Journal "Engineering Science and Innovations", #6 Volume, #4 Petrosani, Romania, 2021.	Pages: 449-458	N.Ratiani, N,Ilias, N.Machavariani
4	"Analysis and Risk Management of Common Injuries in Construction"	printed	International refereed "Mining Journal", #1 (44), 2021.	Pages: 77-82.	T.Kunchulia, T. Maglaferidze
5	"Impact of new legal regulations on construction trauma statistics"	printed	International refereed "Mining Journal", #1 (44), 2021.	Pages: 83-89.	T.Kunchulia, T. Maglaferidze
6	"Production and usage of plasticizing additives in concrete and reinforced concrete"	printed	Monography, Tbilisi, 2017.	Pages: 1-120.	
7	"Statistical data about serious and fatal accidents at	printed	Georgian Technical University Collection of scientific works, #3		N.Ratiani

	workplaces"		(505), 2017.		
8	"Fire safety-related works"	printed	Scientific-technical refereed magazine "Energia", #1 (77), 2016.	Pages: 107-109.	N.Machavariani, N.Ratiani
9	"Safety of works related to the use of fire at energy facilities"	printed	Scientific engineering informational analytical reference "Mining Journal", #1 (36), 2016.	Pages: 132-133.	N.Ratiani
10	"Statistics of serious and fatal accidents at the workplace"	printed	International refereed journal "Oil and Gas", #31, 2016.	Pages: 130-137.	T.Maglaferidze, O.Jafaridze
11	"Improving working conditions and increasing its safety level through risk assessment and elimination"	printed	International refereed journal "Oil and Gas", #29, 2014.	Pages: 126-134.	N.Bochorishvili, A.Bejanishvili, I.Bochorishvili, M.Kitoshvili
12	"Use of non-commercial areas for public farming for the development and revival of industries"	printed	International refereed journal "Oil and Gas", #28, 2013.	Pages: 103-108.	N.Bochorishvili, I.Gabrichidze, M.Kitoshvili, N.Ratiani.
13	"Protective device for reducing water evaporation from mirror surfaces in reservoirs"	printed	International refereed journal "Oil and Gas", #28, 2013.	Pages: 109-111.	N.Bochorishvili, I.Gabrichidze, M.Kitoshvili, N.Ratiani
14	" Tensile-compression test with hydrostatic pressure of stone samples made of cement solution"	printed	Scientific-technical refereed magazine "Energia", #2 (66). 2013		N.Bochorishvili, I.Bochorishvili, M.Kitoshvili, M.Khabeishvili.
15	"Modern methods and main results of studying the physical-mechanical properties of building and paving	printed	Scientific-technical refereed magazine "Energia", #2 (66), 2013.		N.Bochorishvili, I.Bochorishvili, M.Kitoshvili, N.Ratiani, M.Khabeishvili.

	stones"				
16	"International Labor Organization - guarantor of safe and decent work"	printed	International refereed journal "Oil and Gas", #28, 2013.		M.Lursmanashvili, M.Jiqia.
17	"Resistance of rock materials to resisting pure shear stress"	printed	Mining Journal, #1 (30), 2013.	Pages: 96-99.	N.Bochorishvili, I.Bochorishvili, N.Ratiani, M.Kitoshvili,
18	"Methodology for determining the shape and size of the sample during tensile testing of stone materials"	printed	Mining Journal, #1 (30), 2013.	Pages: 92-96.	N.Bochorishvili, N.Ratiani, I.Bochorishvili, M.Kitoshvili,
