

Published scientific and educational-methodical

List of works

No	Title of scientific works	printed Handwriting	Publishing house, magazine (issue, year) or copyright certificate number	Print quantity or number of pages	Last name of the co-author
1	2	3	4	5	6
1	Some questions of cyanide leaching Process of gold containing sulphide Ores by albian technology	Nab.	Mining Jurnal Tbilisi, No. 1 (3 4) , 2015 .	2	A. Abshilava d. Talakhadze; d. Tevzadze
2	Some issues of dressing and dewatering of fine-grained coal sludge from Tkibuli-Shaori deposit	Nab.	Georgian engineering news, No. 1 , 2017	3	A. Abshilava
3	Intensification of Coal Fine-Grained Fraction Dehydration Process in Tkibuli Minefield	Nab.	Works of GTU , No. 2 (524) , 2022	8	A. Abshilava d. Talakhadze
4	Prospects for the use of products Gained as a result of briquetting of Fine-grained fractions of coai	Nab.	Mining Journal , No. 1 (45), 2022.	3	-
conferences					
5	Analysis of existing technology of mineral processing of gold-bearing copper ores of Madneuli deposit	Nab.	Technical University of Georgia 82nd scientific conference of students, 2015	1	–
6	perspectives for Application of Fine-Grained coals of	Nab.	Technical University of Georgia 84th	1	–

	T'kibuli Deposit		scientific conference of students, 2017		
7	Coal processing technology accumulated in Reservoir of Tkibuli hydroelectric power station For ecological situation improving	Nab.	International Conference 2023, Baku, Azerbaijan	1	-
textbooks					
8	ore mineral enrichment technologies	e-mail Handbook, CD-4883	"Technical University", 2018	107	d. Talakhadze, A. Abshilava
9	Technology of beneficiation of solid minerals	Electronic manual.	Order of the National Center for Education Quality Development of Georgia. www.eqe.ge 2016 _	124 p.	Z. Arabic uncle A. Abshilava
