

LIST OF SCIENTIFIC WORKS

Metreveli Irine

№	Name of scientific work	Printed orhand written	Publishing house, magazine (number, year) or author's certificate number	The number of printed sheets or pages	Name of co-authors of the work
1	Outstanding prosecutor of the 19th century in Georgia	Printed	Georgian Chemical Journal, ISSN1512-0686 Tbilisi 2013, p 173-177	6	R.Sxiladze T.Tsivtsivadze N.Sxiladze
2	Incompatibility of substances in pharmaceutical technology	Printed	Georgian Technical University, auxiliary manual, ISBN 978-9941-20-223-0, Tbilisi 2013. 74 p	74	R.Sxiladze Q.Batsikadze N.Sxiladze
3	Liliaceae Biodiversity Fungal Diseases, Biochemical Peculiarities of Fungus Alternaria Alternate and Combating Events in East Georgia	Printed	Monography, ltd. "Vista Group" ISBN 978-9941-0-5198-2, Tbilisi 2013. 148 p	148	
5	The role of essential oils derived from plants in perfumery	printed	84th International International Scientific Conference of Students Studio Thesis collection. Tbilisi. 2016.	1	M. Tsintsadze M. Asanidze Kh. Tsikarishvili
6	Study of leaves and fruits of L. Gleditschia in Georgia in order to quantify the extractive substances	printed	Georgian Technical University, Georgian Engineering Academy. Business Engineering N1-2. Tbilisi 2017. pp. 146-151.	5	M.Jincharadze N. Gelovani Kh. Tsikarishvili
7	K. Vitamin R. and its determination of leukemia in fertilizers	printed	Georgian Chemical Journal, 2017		N. Gelovani, R. Gakhokidze, I.Gvelesiani, Kh.Tsikarishvili, M. Jincharadze.
8	Factors determining the toxicity of bitter almonds. Identification of cyanides and their identification	Printed	Students' 85th Open International Scientific Conference Studio Thesis collection. Tbilisi. 2017.	1	V. Kamanashvili N. Tsitsishvili Kh.Tsikarishvili

LIST OF SCIENTIFIC WORKS

Metreveli Irine

№	Name of scientific work	Printed or handwritten	Publishing house, magazine (number, year) or author's certificate number	The number of printed sheets or pages	Name of co-authors of the work
9	Determination of Coexistence of Alkaloids in Aerial Part and in Roots of Cleistine (Chelidonium)	Printed	Georgian Chemical Journal. ISSN 1512-0686, vol.17 N1. Tbilisi 2017. 120-124pp.	4	N. Gelovani, T. Tsintsadze, I. Gvelesiani, Kh. Tsikarishvili, Q. Batsikadze,
10	Determination of Enanth ether in flowers of Gleditschia. (L. Gleditschia)	Printed	Georgian Chemical Journal. ISSN 1512-0686, vol.17 N1. Tbilisi 2017. 146-152pp.	7	M. Jincharadze, N. Gelovani, Kh. Tsikarishvili, I. Tsomaia
11	Cherry Widespread in Georgia as one Component for Collection of Plants to prepare Medicinal and Prophylactic Drugs	Printed	Georgian Chemical Journal. ISSN 1512-0686, vol.17 N1. Tbilisi 2017. 130-140pp.	10	N. Gelovani, L. Targamadze, T. Tsintsadze, I. Gvelesiani, Kh. Tsikarishvili
12	Identification of antiracemic derivatives in Digula (Plains Sambaci nigrae) and Georgian cherry fruits.	handwritten	Georgian Chemical Journal, 2017		N. Gelovani, L. Targamadze, I. Gvelesiani, Q. Batsikadze,
13	Biologically Active substances And their Toxicological Analysis	handwritten	Publishing House "Technical University" Tbilisi 2017		N. Gelovani T. Tsintsadze, I. Gvelesiani, Kh. Tsikarishvili

LIST OF SCIENTIFIC WORKS

Metreveli Irine

№	Name of scientific work	Printed or handwritten	Publishing house, magazine (number, year) or author's certificate number	The number of printed sheets or pages	Name of co-authors of the work
14	Development of the Dentifrice Water Formulation by Using of Distributed In Flora of Georgia Biologically Active Substances	Printed	International Scientific Conference Future Technologies and Quality of Life 29 September - 1 October 2017. conference is held within the framework of subprogram - "Higher Education Support" at Education, Culture and Sport Ministry of Adjara Autonomous Republic	2	Nishnianidze M.V. Tsikarishvili X.J. Shashiashvili N.V.
15	Developing the concept of creating emulsion systems for making of cosmetic milk	Printed	International Scientific Conference Future Technologies and Quality of Life 29 September - 1 October 2017. conference is held within the framework of subprogram - "Higher Education Support" at Education, Culture and Sport Ministry of Adjara Autonomous Republic	2	Mishelashvili Kh.T., Tsikarishvili Kh.J., , Batsikadze Q.T., Gvinjilia S.A.
16	Determination of sugars in ripe quince fruits by ferric chloride method	printed	Georgian Technical University. "Chemistry Advances and Prospects". Academician Givi Tsintsadze 85 years since birth Driven by international scientific-methodical conference. 19-20 October, 2019 tbiis. p175-177	2	L. Targamadze; N. Gelovani; N. Neparidze
17	Walnut diseases spread in Georgia and fetal research on mycotoxins	printed	Georgian Technical University. "Chemistry Advances and Prospects". Academician Givi Tsintsadze 85 years since birth Driven by international scientific-methodical conference. October 19-20, 2018 tbiis. p186-1195.	10	M.Neparidze N.Gelovani L.Targamadze

LIST OF SCIENTIFIC WORKS

Metreveli Irine

№	Name of scientific work	Printed or handwritten	Publishing house, magazine (number, year) or author's certificate number	The number of printed sheets or pages	Name of co-authors of the work
18	glycoalkaloy dis determination Eggplant in the leaves	printed	Georgian Technical University. of chemistry Doctor of Sciences 80 years since the birth of Professor Viktor Dimitris Dze Eristavi dedicated to the year International anniversary Scientific and technical Conference "Environmental protection and sustainable development". 11-12 November, 2019	1	N. Gelovani I. Goderdzishvili Kh. Tsikarishvili L. Targamadze
19	Anthracene derivative separation of bis Aloe plant (Aloe arborescens)-centenarian) from the leaves.	printed	Georgian Technical of Georgia University. of chemistry Doctor of Sciences 80 years since the birth of Professor Viktor Dimitris Dze Eristavi dedicated to the year International anniversary Scientific and technical Conference "Environmental protection and sustainable development". 11-12 November, 2019	5	N. Gelovani; I. Goderdzishvili; Lee; Kh. Tsikarishvili; L. Targamadze; I. Metreveli;
	Biologically active substance and theirs toxicological Analysis	printed	publishing house "Technical University" Tbilisi 2021. Manual two Revised edition	500	N. Gelovani, Kh. Tsikarishvili, I. Gvelesiani, T. Tsintsadze

LIST OF SCIENTIFIC WORKS

Metreveli Irine

№	Name of scientific work	Printed or handwritten	Publishing house, magazine (number, year) or author's certificate number	The number of printed sheets or pages	Name of co-authors of the work
	Extraction of anthraglycosides from plants common in Georgia: Rhamnus cathartica and Paliurus spina-christi	printed	CHEMICAL AND TECHNOLOGICAL ASPECTS OF BIOPOLYMERS, Book Volume I, Publishing House "UNIVERSAL" Tbilisi 2021	4	N.Gelovani I.Goderdzishvili
	Clays, their use in pharmacy	printed	Engineering of Georgia News. N3, 2023.	2	Kh. Tsikarishvili m.nishnianidze
