

N	Articles	Version	magazine (year, number, page); A collection of conference papers or reports (conference name, date, venue, pp.)	Pages	authors
1	Formation of the output voltage in an autonomous voltage inverter.	Printed	„ENERGIA“, 2018, №1(85). pg.36-43	8	Enriko korkia Titiko Shergelashvili Koba Tetrauli
2	Current transformer selection issues in the electricity metering circuit.	Printed	5th International Scientific Conference, Kutaisi 2018. pg. 51-55.	5	Titiko Shergelashvili Enriko korkia
3	calculation Secondary load and voltage drop of the voltage transformer used in electricity metering point	Printed	„ INTELEKTUALI“, 2019, №37, pg. 158-162.	5	Titiko Shergelashvili
4	Electricity metering when using with two-element meter	Printed	„ENERGIA“, 2019, №2(90),	8	Titiko Shergelashvili Enriko korkia
