

- Articles mentioned in Merab Pkhovelishvili's SCOPUS:

1. Conference Paper

Theory of universal approach to improve predictive models using parallel data and application examples

Prangishvili, A., Gasitashvili, Z., Pkhovelishvili, M., Archvadze, N.

AIP Conference Proceedingsthis link is disabled, 2023, 2757, 020004

2. Analysis of earthquake prediction models to obtain the best model

Pkhovelishvili, M.G., Archvadze, N.N., Nikoleishvili, M.M.

Geologiya i Geofizika Yuga Rossiithis link is disabled, 2023, 13(1), pp. 162–172

3. Conference Paper

Optimization of Expert Solutions for Events Forecasting

Pkhovelishvili, M., Archvadze, N., Shetsiruli, L.

Proceedings - 2023 International Conference on Control, Artificial Intelligence, Robotics and Optimization, ICCAIRO 2023, 2023, pp. 82–85

4. Article

ALGORITHM FOR BUILDING A HYBRID MODEL OF THE EXISTING RISK MODEL

Aliyev, V., Gasitashvili, Z., Pkhovelishvili, M., Archvadze, N.

Reliability: Theory and Applications, 2022, 17, pp. 106–110

5. Conference Paper

Predicting Events by Analyzing the Results of the Work of Predictive Models

Prangishvili, A., Gasitashvili, Z., Pkhovelishvili, M., Archvadze, N.

2022, 1562 CCIS, pp. 64–78

6. Article

REDUCING RISKS through IMPROVEMENT of PREDICTION MODELS

Gasitashvili, Z., Pkhovelishvili, M., Archvadze, N.

Reliability: Theory and Applications, 2022, 17, pp. 197–202

7. Conference Paper

Prediction of events means of data parallelism

Gasitashvili, Z., Pkhovelishvili, M., Archvadze, N.

Proceedings - Mathematics and Computers in Science and Engineering, MACISE 2019, 2019, pp. 32–35, 8944725

8. Conference Paper

Reforming the trees-C# and F# comparison

Archvadze, N., Pkhovelishvili, M.

**2012 4th International Conference "Problems of Cybernetics and Informatics",
PCI 2012 - Proceedings**, 2012, 6486287

- 9. Conference Paper

Universal attitude to the program verification

Archvadze, N., Pkhovelishvili, M., Shetsiruly,

**5th International Conference on Application of Information and
Communication Technologies, AICT 2011**, 2011, 6111009

- 10. Article

Program recursive forms and programming automatization for
functional languages

Archvadze, N., Pkhovelishvili, M., Shetsiruli, L., Nizharadze, M.

WSEAS Transactions on Computers, 2009, 8(8), pp. 1256–1265

11. Peculiarities of the Hybrid Model Built Using Parallel Data

Phkhovelishvili, M., Archvadze, N., Gasitashvili, Z.

**Proceedings - 2022 7th International Conference on Mathematics and Computers in
Sciences and Industry, MCSI 2022**, 2022, pp. 66–70
