Regions of Georgia

Holiday Climate Index in Kakheti

Holiday Climate Index in Some Mountainous
Regions of Georgia

Identification of Building Climatic Guidelines
of Georgia Based on the Regional Climate
Change

Changeability of the Meteorological
Parameters Associated with Holiday Climate
Index in Different Mountainous Regions of
Georgia in 1956-2015

Recreology and Balneology

Changeability of the Holiday climate Index
(HCI) in Tbilisi

IMPROVING THE HR MANAGEMENT SYSTEM AS
A FACTOR IN
INCREASING THE EFFICIENCY OF INNOVATIVE
ENTERPRISES

Blizzards in mountain regions of Georgia

VARIABILITY OF THE ANNUAL SUM OF
ATMOSPHERIC
PRECIPITATIONS IN KAKHETI IN 1956-2015

STATISTICAL CHARACTERISTICS OF THE MONTHLY AMOUNT
OF ATMOSPHERIC PRECIPITATION IN TIANETI (GEORGIA) IN
1956-2015

Statistical Characteristics of the Monthly
Values of the Tourism Climate Index in
Mestia (Georgia) in 1961-2010

Extreme Impact of Weather and Climate on Georgian landscapes.

Statistical Characteristics of the Tourism Climate Index in Kakheti (Georgia)

Assessment of tourism-recreational resources against the background of climate change

Statistical Characteristics of Monthly Sums of Atmospheric Precipitations in Tianeti (Georgia) 1956-2015

WINTER TOURISM DEVELOPMENT TRENDS IN GEORGIA

Blizzards on the Territory of Georgia

Establish new construction climate norms taking into account climate change in Georgia

Dynamics and Statistical Distribution of Hail and Lightning Processes in Georgia Against the Background of Global Climate Change

Statistical Characteristics of the Effective
Temperature according to Misenard in
Adjara and Kakheti

EFFECTS OF VARIATIONS OF THE MONTHLY MEAN AIR
TEMPERATURE ON THE POPULATION HEALTH OF
IMERETI REGION OF GEORGIA

Tourism Climate Index in Kutaisi

Changeability of Meteorological Parameters
Associated with Some Simple heat Index and
Tourist Climate Index (Adjara and Kakheti)

Climatic Index of Tourism in Some Parts of
Georgia and the North Caucasus

Identification of Building Climatic
Guidelines of Georgia Based on The
Regional Climate Change

Variations of thunderstorms and Hail
Processes in Georgia

Consideration of solar Radiation in the design of building

Lightning Impact on Various Buildings

Agroecology and tourism development trends in Georgia against the background of global climate change

Tourism Climate Index of in the Some Regions of Georgia and North Caucasus

Considering Environmental Policy in Development of Tourism Sector in Georgia.

Consideration air temperature and humidity complex parameter in development building industry and agriculture

Consideration of solar radiation in the design of buildings

Building Climate Norms in Samtskhe-Javakheti

The Influence of Climate Change on the Development of Regional Tourism in Georgia

Tourism climate index in the coastal and mountain locality of Adjara, Georgia

Advertising in tourism

Comparative Analysis of Secular Variations of Air Temperature in Tbilisi, St.-Petersburg and its Global Values

Tourism Enterprise Management

AEROSYNOPTIC STATE AND CHANGEABILITY
OF THE SURFACE OZONE CONCENTRATION
IN KAKHETI DURING THE THUNDERSTORM -
HAIL PROCESSES

The Influence of Climate Change on the
Development of Regional Tourism in Georgia

Tourism Development In Adjara On
Background Climate Change

Assessing the investment environment for
tourism in Georgia against the background
of climate change

Statistical assessment of expected changes
in air temperature in Tbilisi and St.
Petersburg until 2056

Statistical structure of the average annual air
temperature in Tbilisi and St. Petersburg in
1850-2012.

Tourism and Environmental Policy

Assessment of touristical-recreation
potential of Georgia on background regional
climate change

Climate index of tourism in Batumi

Long-Term Variation of Air Effective
Temperature in Kutaisi

LONG-TERM VARIATIONS OF AIR EFFECTIVE
TEMPERATURE IN TBILISI

Tourism Climate Index in Tbilisi,

INFLUENCE OF AIR EFFECTIVE
TEMPERATURE AND GEOMAGNETIC
STORMS ON THE POPULATION OF TBILISI
CITY

The statistical analysis of average seasonal,
semi-annual and annual values of surface
ozone concentration in Tbilisi in 1984-2003,

Expected Change of the Extremal Air
Temperature and its Influence on the
Mortality (Based on the Example to Tbilisi
City),

Consideration of climatic parameters in
construction

Bioclimatic Resources of Resorts of Georgia's
Mountainous Regions

Climate as a Resource for Tourism
Development (in Conditions of Georgia)

Research of the Landscape Structure of the
Water Balance of the Trialeti Range
Northern Slope according to the Natural
Recreation Resources

Variability of Number of Hail and
Thunderstorm Days in the Regions of
Georgia with Active Influence on
Atmospheric Processes

Variability of hail and thunderstorms with active impact on atmospheric processes in the regions of Georgia

Recurrence of Extreme Temperature Events in Georgia on Background of Climate Change

Investigation of the stability of linear trends in air temperature time series of Georgia

Impact of Noises on Frequency Distribution of Daily Mean Temperatures in Georgia
