

Scientific Work List – Lebanidze Zurab

№	Scientific Work Title	Publisher, journal/magazine (issue, year) or copyright number	Page Count	Last name of the co-author
1.	Construction of large-span tunnels in weak rocks	Georgian Techncl University (works) №1 (487) Tbilisi, 2013.	4	I. Gudjabidze R. Mzhavanadze A. Gocholeishvili
2.	Analytical assessment of the reliability of technological schemes for conducting mining operations	Georgian Techncl University (works) №3 (489) Tbilisi, 2013.	2	I. Gudjabidze R. Mzhavanadze
3.	Rikoti tunnel operational problems and seismic stability	ECCE-GSCE-WCCE International Conference Seismics Tbilisi, 2014	6	I. Gudjabidze M. Kalabegishvili
4.	Criteria for evaluation of emergency firefighting in transport tunnels	Transport Bridge Europe-Asia Tbilisi, 2014	6	O.Lanchava, G. Nozadze, N. Bochorishvili, N. Arudashvili, M. Jangidze, K. Tsikarishvili
5.	Hazard analisis due to the influence of the strong fires in the road tunnels	Mining Jornal, N 1 (32) Tbilisi, 2014	4	O.Lanchava, G. Nozadze, N. Bochorishvili, N. Arudashvili,
6.	Georgia 2050. Development strategy of Georgia.	"Meridiani" publishing house. Tbilisi. 2015.	3	O. QutsnaSvili and others.
7.	Methods of assessing the stability of the tunnel surrounding rock massif	Georgian Techncl University (works) №1 (503) Tbilisi, 2017	8	I. Gudjabidze A. Gocholeishvili
8	New non-electrical systems for initiation of an explosive charge	Mining Journal, N 1 (32) 1(38) Tbilisi. 2017	4	T. Sharashenidze, A. Gocholeishvili
9	Impact of the construction process of shallov tunnels on land surface deformations and displacements	Georgian Techncl University (works) №3 (525) Tbilisi, 2022	7	G. Machaidze, D. Gogrichiani

Dean of the Faculty of Mining and Geology, Professor

/A. Abshilava/

Associate Professor

/Z. Lebanidze/
