

List of scientific works (2013 – present)

Liana Asatiani

1	Location of plane intersecting line using the method of parallel projecting	Type-written	Journal Transport ISSN 1512-3537 №3(55) 2022	2	
2	Methodological guidelines for shadow and perspective casting	Type-written	Georgian Technical University, Tbilisi, 2021, ISBN 978-9941-28-731-2	29	G. Shengelia
3	Gaspard Monge theorem and its application for construction problems	Type-written	Journal Transport ISSN 1512-3537 №1-2 (47-48), 2020	5	L. Kisishvili
4	Useful skills for 3D model construction in CAD programs	Type-written	Journal Transport and Machine Building ISSN 1512-3537, 2019	5	L. Kisishvili N. Nikvashvili
5	Introduction to RevitArchitecture and user interface	Type-written	Journal Transport and Machine Building ISSN 1512-3537 №3(49), 2020	9	G. Shengelia
6	Methodological guidelines for построению перспективы контрольного задания	Manuscript		11	G. Shengelia
7	Solution of a problems using the geometrical locus method and symmetry method	Type-written	Journal Transport and Machine Building №2(39) 2017, Tbilisi	4	L. Kisishvili N. Nikvashvili
8	Methodological guidelines for shadow casting	Type-written	Georgian Technical University, Tbilisi, 2017, ISBN 978-9941-20-897-3	12	Z. Kvinikadze G. Shengelia
9	Methodological guidelines for execution of the rating works in descriptive geometry	Type-written	Georgian Technical University, Tbilisi, 2017 ISBN 978-9941-20-834-8	12	N. Nikvashvili L. Kisishvili
10	Special course of engineering graphics	Type-written	Georgian Technical University, Tbilisi, 2017 ISBN 978-9941-20-903-1	125	A. Shavgulidze
11	Methodological guidelines for solution of the first and second ratings in descriptive geometry	Type-written	Georgian Technical University, Tbilisi, 2017 ISBN 978-9941-20-898-0	11	L. Kisishvili
12	Methodological guidelines for construction of control task perspective	Manuscript	2017	12	G. Shengelia

13	Engineering graphics	Type-written	GTU Publishing house “Technical University”, Tbilisi, 2017, ISBN 978- 9941-20-742-6	109	T. Sharabidze L. Kanchaveli
14	Dynamic blocks in AutoCAD program.	Type-written	„Transport and Mechanical Engineering”, №1 (38) 2017 Tbilisi	5	N. Nikvashvili L. Kisishvili
