

Type	Authors	Publication title	Source title	Year
Article	N. Poporadze, D. Kacharava, O. Seskuria, R. Metreveli	Beads from grave №24 of the Vani city-site	DZIEBANI Journal of the Georgian Archaeology №24, Georgian National Museum, Otari Lordkipanidze Centre of Archaeology	2020
Article	N. Poporadze, O. Seskuria, R. Metreveli, N. Poporadze	Laboratory studies of the kvevri composition of the Batumi Archaeological Museum	Intellectual №37, International Scientific Journal, Georgian Social Academy of Young Scientists	2019
Monograph	N. Poporadze, I. Akhvlediani, O. Seskuria, N. Inanashvili	Geological study of the Lower and Middle Jurassic Terrigenous Shale Deposits of the Kazbegi-Omallo Region		2019
Book	N. Poporadze, O. Seskuria	Genetic Mineralogy		2019
Article	N. Poporadze, I. Shekrladze, O. Seskuria	Shale Gas Prospectivity of the Lower- and Middle Jurassic Terrigenous Shale Deposits of the Kazbegi-Omallo Region (in English)	Bulletin of the Georgian National Academy of Sciences. vol.12. no.1	2018
Article	N. Poporadze, O. Seskuria, R. Metreveli	Study of Qvevri (Vine pitcher) and the Raw Material Used for Making Them	"Mining Journal", №1 (40)	2018
Article	N. Poporadze	Rock crystal from the Terrigenous Formation of the Fold System of the Greater Caucasus	"Mining Journal" №1(38), Georgian Mining Society, Georgian Technical University, G.Tsulukidze mining institute	2017
Article	N. Poporadze, O. Seskuria, N. Inanashvili	Alpine Type Quartz Veins of the Fold System of the Greater Caucasus (within Georgia) (in English)	Bulletin of the Georgian National Academy of Sciences. vol.11. no.2	2017
Article	N. Poporadze, O. Seskuria, R. Metreveli	Wine pitchers (set into ground) from Armazikhe-Bagineti and Armaziskhevi wine-cellar	"Museum and Cultural Heritage IV" National Agency for Cultural Heritage Preservation of Georgia	2017
Article	O. Seskuria, Kh. Gachechiladze, N. Nozadze	Minerals of chalcedony and garnet groups in archaeological discoveries (on Mtskheta example)	"Museum and Cultural Heritage IV", National Agency for Cultural Heritage Preservation of Georgia	2017
Article	N. Poporadze, O. Seskuria	Mineral Composition of Qvevri	"Business-Engineering", №3, Georgian Technical University, Georgian Academy of Engineering	2017
Article	N. Poporadze, P. Ivanishvili, O. Seskuria	The Talavry (Faxralo) tungsten deposit and technology of its processing	"Mining Journal", №1(36), Georgian Mining Society, GTU, G.Tsulukidze mining institute	2016
Book	S. Gvelesiani, N. Poporadze, Kh. Gachechiladze, O. Seskuria	Jeweler	National Center for Educational Quality Enhancement, Vocational Qualifications Development Support Program	2016
Chapter in book	N. Poporadze, T. Kintsurashvili, O. Seskuria	Technical Research of the Ceramic Material discovered in the Ananuri Big Kurgan №3	Ananuri Big Kurgan №3 (Monography), Georgian National Museum	2016
Chapter in book	N. Poporadze, N. Kalandadze, O. Seskuria, F. Shtrober	Study of the lock of the chariot's wheel (stem with disc) discovered in the Ananuri Kurgan №3	Ananuri Big Kurgan №3, (Monography) Georgian National Museum	2016
Article	N. Poporadze, O. Seskuria, N. Inanashvili	Alpine Type Quartz Veins	"Business-Engineering", №4, Reviewable Quarterly Magazine, Georgian Technical University, Georgian Academy of Engineering	2016

Monograph	N. Poporadze, Kh. Gachechiladze, O. Seskuria	Mineral Composition OE Archaeological Achievement OE Georgia		2016
Article	N. Poporadze I. Akhvlediani I. Shekrladze, O. Seskuria	The peculiarities oE the lower-and middle Jurassic terrigenous deposit oE the Kazbegi-Omallo zone	„Intellectual”, №30, International Scientific Journal, Georgian Social Academy oE Young Scientists publisher	2015
Article	N. Poporadze, O. Seskuria	Mineral phases oE geode rims oE the chalcedony-agate Erom the Akhaltsikhe deposit	„Business-Engineering” №1, Reviewable Quarterly Magazine, Georgian Technical University, Georgian Academy oE Engineering	2015
Article	N. Poporadze, O. Seskuria	Natural gas content perspective in Kazbegi-Omallo shales	„Business-Engineering”, №4, Reviewable Quarterly Magazine, Georgian Technical University, Georgian Academy oE Engineering	2015
Article	N. Poporadze, P. Ivanishvili,, O. Seskuria	The Faxralo tuEE deposit	„Business-Engineering”, №3	2014
Article	N. Poporadze N. Kalandadze, O. Seskuria, F. Shtrobre	Complex Study OE The Disk And The Rod Found In The Kurgan Ananauri №3 Publ.	“Dziebani” №22, Journal oE the Georgian Archaeology, Georgian National Museum; Otar Lortkipanidze Centre oE Archaeology	2014
Article	S. Gvelesiani, N. Poporadze O. Seskuria	Mineralization oE chalcedony-agate oE the Rakviti and Chirukhi ore maniEestations	Materials oE the ConEerence “Resource-reproducing low-waste and nature- conservative technologies oE development oE nature resource	2014
Article	N. Poporadze, O. Seskuria	Garnets Erom the Dzama ore-bearing valley	„Mining Journal”, №2(31), Georgian Mining Society, Georgian Technical University, G. Tsulukidze mining institute	2013
Article	O. Seskuria, Kh. Gachechiladze	Applying oE Garnet gems and Archaeological items	“IBERIA-COLCHIS”, №9, Researches on the Archaeology and History oE Georgia in the Classical and Early Medieval Period	2013
Article	O. Seskuria	Obsolete And Modern Names OE Garnet	TRANSACTIONS oE Georgian Technical University №3 (485)	2012
