INASHVILI IRMA

Dr., Professor Faculty of Civil Engineering, Georgian Technical University (GTU) E-mail: i.inashvili@gtu.ge

List of Scientific Papers and Publications

- 1. Kruashvili I., Danelia R. & **Inashvili I.** *Engineering Prediction of Slopes Erosion Stability.* Problems of Agrarian Sciences, p. 139-145. 2001. (in Georgian Language).
- 2. Kruashvili I., Odilavadze T., Qatsarava T. & **Inashvili I.** *Measures against Drought (Sprinkler irrigation)* methodical guidelines. Georgian State Agricultural University. 30 p. 2002. (in Georgian Language);
- Kruashvili I., Odilavadze T., Qatsarava T. & Inashvili I. Measures against Drought (Mulching) methodical guidelines. Georgian State Agricultural University. 32 p. 2002. (in Georgian Language);
- Sichinava O., Kukhalashvili E. & Inashvili I. Annual crops (corn) agrotechnics methodical guidelines. Georgian State Agricultural University, Institute of water industry and engineering ecology, Georgian Academy of Sciences, 12 p. 2004. (in Georgian Language);
- Sichinava O., Kukhalashvili E., Kruashvili I. & Inashvili I. Terracing Methods -methodical guidelines. Georgian State Agricultural University, Institute of water industry and engineering ecology, Georgian Academy of Sciences, 16 p. 2004. (in Georgian Language);
- 6. Inashvili I. The Forecast of Distribution on a Vertical of Concentration and Turbulent Exchange Coefficient of Biphasic Streams in Irrigation Channels. Problems of agrarian sciences # XXIX, p.p. 146-149. 2004. (in Georgian Language);
- Inashvili I. Mathematical Model for Determination the Average Volumetric Concentration of Channel Flows of Irrigation Channels. Annals of Armenian State Agrarian University, # 3, pp. 56-59. 2005. (in Russian Language);
- 8. Kruashvili I. & **Inashvili I.** *Theoretical Study of Carrying out Suspended Solids by Water.* Annals of Armenian State Agrarian University, # 5, pp. 88-93. 2005. (in Russian Language);
- Kruashvili I. & Inashvil I. Mathematical Model of Defining Concentration and Turbulent Exchange Coefficient in Suspended Streams. Annals of Agrarian Science, vol. 3. #1, 98-102 pp. 2005. (in English Language);

- Kruashvili I., Bziava K., Inashvili I., Loria M. Mathematical Model for the Definition of Heat Conductivity of Soil for Achieving the Harvest of Early Agricultural Crops. International Journal "Annals of Agrarian Science", Volume 4, #2, p. 98-101. 2006. (in English Language);
- 11. Bziava K., **Inashvili I.**, Loria M. *Mulch Ground Temperature and Moisture Experimental Measurement.* GSAU, Annals of Agrarian Science, XXXVI. pp. 208-209, 2006. (in English Language);
- Kruashvili I., Bziava K., Inashvili I. & Loria M. Mathematical Model of Definition of Soils Moisture at Mulching. Annals of Agrarian Science, International Journal, 4th Volume, #3, p. 55-56. 2006. (in Russian Language);
- Kukhalashvili E., Inashvili I. & Qruashvili R. *The Effect of Channel Processes on the Stable Slope*. Georgian engineering news #3, p.p. 96-97. 2006. (in Russian Language);
- Kukhalashvili E., Inashvili I. & Qruashvili R. Establishment of Design Parameters of the Channels Regulating Structures, taking into account Channel Processes. Georgian engineering news #3, pp. 128-129.
 (in Russian Language);
- Inashvili I. & Qruashvili R. *Influence of cross-section constructions on channel processes*. International scientific journal "Problems of Applied Mechanics" #3(24), pp. 69-73. 2006. (in Russian Language);
- 16. Inashvili I. & Qruashvili R. *Limited Equilibrium of the Self-formatting Water Channels.* GSAU, Annals of Agrarian Science, XXXVI, pp. 204-205, 2006. (in Georgian Language);
- 17. Inashvili I. & Qruashvili R. *Prediction of Current Processes and Morphometric Characteristics of Water Channels.* GSAU, Annals of Agrarian Science, XXXVI, pp. 206-208, 2006. (in Georgian Language);
- Bziava K. & Inashvili I. Impact of Climate on Water Resources Management in Georgia. Proceedings of the Third International Conference on Climate and Water, Helsinki, 3–6 September 2007, pp. 575-576. (in English Language);
- 19. Mukhigulashvili G. & **Inashvili I.** *Mathematical Modeling of Crop Growth.* GSAU, Collection of scientific works 1 #3 (44). p.p. 83-86. 2008. (in Georgian Language);
- 20. Kruashvili I., Inashvili I., Kupravishvili M. & Bziava K. *Integrated Water Resources Management* Textbook. GSAU, Published by Ltd "ANI", 320 p. 2008. (in Georgian Language);
- Kruashivli I., Kukhalashvili E. & Inashvili I. Establishment of Optimum Parameters of the Irrigation Mode at Application of the Drop Irrigation for Reception of Non-polluting Agricultural Production. International Scientific Conference "Food safety problems", pp.19-21. 2009. (in Georgian Language);

- 22. Kruashivli I., Kukhalashvili E. & Inashvili I. *Influence of Morphometrical and Hydraulic Characteristics on the Form of Cross-section of a Channel.* Annals of Agrarian Science, vol. 7. #2.pp 112-114. 2009. (in English Language);
- Gogsadze I., Bziava K., Inashvili I. & Undilashvili N. Impact of Water Flow Rate on the Formation of Canal Structure. Ministry of Education and Science of Georgia, Institute of Water Management, Collected Papers #64, p. 67-70. 2009. (in Georgian Language);
- 24. Kruashvili I. & Inashvili I. *Water Resources Management in Agriculture* Textbook. Publishing house "Technical University", 189 p. 2009. (in Georgian Language);
- 25. Kruashvili I., Kukhalashvili E., **Inashvili I.** & Bziava K. *Hydroecological Aspects of Migration and Movement of Water in the Soils.* Proceedings of the International Conference on "Protection of Agrobiodiversity and Sustainable Development of Agriculture", Tbilisi, p. 282-286. 2010. (in English Language);
- 26. Kukhalashvili E., Kharaishvili O., **Inashvili I.** & Undilashvili N. *Agricultural Amelioration*. Methodical guidelines for students. Georgian Agrarian University. 56 p. 2010. (in Georgian Language);
- 27. Kukhalashvili E., Kharaishvili O., **Inashvili I.** & Undilashvili N. *Agricultural Amelioration*. Methodical guidelines for students (Laboratory classes). Georgian Agrarian University. 20 p. 2010. (in Georgian Language);
- Kruashvili I., Inashvili I., Bziava K. & Loria M. Application of Modern Agrobiotechnologies for Regulation of Water and Heat Characteristics and Modes in the Soil. Proceedings of the International Conference on "Protection of Agrobiodiversity and Sustainable Development of Agriculture", Tbilisi, p. 143-149. 2010. (in English Language);
- Odilavadze T., Bziava K., Inashvili I. & Undilashvili N. Improvement of Vegetable Growing using Drip Irrigation. Ministry of Education and Science of Georgia, Collected Papers of the Institute of Water Management, #65, p. 199-204. 2010. (in English Language);
- Kruashvili I., Kukhalashvili E., Inashvili I., Bziava K. & Natroshvili G. *Filtration characteristics in the soil.* The Ministry of Education and Science, Water Management Institute, Scientific papers #67, pp. 226-230.
 (in Georgian Language);
- Kruashvili I., Kukhalashvili E., Inashvili I., Bziava K. & Natroshvili G. Issues of Water Filtration Anomalies in the Soils. The Ministry of Education and Science, Water Management Institute, Scientific papers #67, pp.231-236. 2012. (in Georgian Language);

- 32. Kukhalashvili E., Bziava K. & Inashvili I. Forecasting the Conditions of Movement of Adhesive Mudflow on the Carrying-out Cone. The Ministry of Education and Science, Water Management Institute, Scientific papers #68, pp.126-128. 2013. (in Georgian Language);
- Klimiashvili L., Gurgenidze D., Inashvili I. & Klimiashvili I. Determination of Parameters of Drip Irrigation Pipeline Taking into Account the Concentration of Flow. GTU, Hydroengineering, # 1-2 (15-16). p.p. 62-66, 2013. (in English Language);
- Kruashvili I., Inashvili I., Kukhalashvili E. & Bziava K. *Imact of Water Migration and Soil Characteristics on the Irrigation Mode.* GTU, Hydroengineering, # 1-2 (15-16). pp. 79-84, 2013. (in Georgian Language);
- 35. Kruashvili I., Kukhalashvili E., **Inashvili I.,** Bziava K. & Kirtava V. *Computation of the Hydraulic Characteristics of the Hyper-Concentrated Flows During Flow Over the Debris Flow Outlet.* Georgian Academy of Agricultural Sciences. International scientific conference "Climate change and its influence on sustainable and safe agriculture development." p.p. 345-348. 2014. (in Georgian Language);
- 36. Kruashvili I., Davitashvili A., Inashvili I. & Natroshvili G.. Regulation of Soil Moisture in Irrigated Agriculture. The Ministry of Education and Science, Water Management Institute, Scientific papers #69, pp.282-284. 2014. (in English Language);
- L. Klimiashvili, Davitashvili A., Inashvili I. & Natroshvili G. *Determination of Water Movement Velocity in a Soil.* The Ministry of Education and Science, Water Management Institute, Scientific papers #69, pp. 150-152. 2014. (in English Language);
