

Georgian Technical University
Professor Lia Kakhiani's
list of works

N.	Title of scientific works	Publishing house, magazine (number, year) or Copyright Certificate number	Page numbers	Last name of the co- author
1.	Metal-reinforced concrete structures as load-bearing structures of skyscrapers	Scientific and technical magazine " Building " N 3(52), 2019.	1	A. Tsakiashvili L. Samkharadze T. Bolkvadze
2.	Green buildings with reinforced roofs	Scientific and technical magazine " Building " N 3(52), 2019.		I.Svanidze K.Korkia N. Eristavi
3.	Skyscrapers with parking lots, their fire safety protection	Scientific and technical magazine " Building " N 3(52), 2019	1	A. Tsakiashvili L. Matitashvili G. Vashakidze
4.	How to lower the self-cost of residential houses	II International Symposium of Technical University of Georgia "Seismic resistance and engineering seismic resistance", Tbilisi, 2019	1	I.Svanidze
5.	Increasing the seismic resistance of existing buildings	II International Symposium of Technical University of Georgia "Seismic resistance and engineering seismic resistance", Tbilisi, 2019.		L. Samkharadze

Georgian Technical University
Professor Lia Kakhiani's
list of works

6.	Aguli Sokhadze	Publishing House of Technical University of Georgia, 2019.	80	L.Balanchivadze
7.	Giorgi Kartsivadze, life and work	Publishing House of Technical University of Georgia, 2019.	60	G.Kipiani
8.	Calculation of the frame of the first floor of a reinforced concrete frame building for seismic load	STU, Publishing House, 2020.	28	F. Verulashvili L. Balanchivadze V. Shaishmelashvili
9	Remarkable sports facilities of the world	Scientific and technical magazine " Building" N2(55), 2020.	4	A. Tsakiashvili T. Bolkvadze K.Eristavi
10	Reinforcement of high-rise panel emergency shelters Strengthening measures	Scientific and technical magazine " Building " N 2(55), 2020.	4	G.Gedevanishvili L. Samkharadze G.Kipaini
11	High-rise buildings Determination of mechanical characteristics	Scientific and technical magazine "Building" N 2(55), 2020.	4	A. Tsakiashvili T. Bolkvadze N.Eristavi
12.	Elmira (Dodo) Chkhikvadze life, work, memories.	Publishing House of Georgian Technical University2020	4	N.Kuciava
13.	Skyscrapers and reinforced concrete structures	Scientific and technical magazine " Building " N 1(57), 2021.	84	A. Lebanidze D. Chikvaidze K. Iashvili
14	Modern beautiful Skyscrapers	Scientific and technical magazine " Building " N 2(58), 2021.	3	M. Mukhigulashvili K. Makharoblidze K. Iashvili
15	Skyscrapers are common in construction Schemes and general construction requirements	Scientific and technical magazine " Building " N 3(59), 2021.		L. Balanchivadze N. Nakvetauri L. Verulashvili
16	Fracture mechanics of building constructions	Publishing House of Georgian Technical University 2021.	129	G. Gureshidze F. Verulashvili L. Balanchivadze A. Tsakiashvili

Georgian Technical University
Professor Lia Kakhiani's
list of works

17	Construction of small hydropower plants in Georgia	Scientific and technical magazine " Building " N 3(59), 2021.	3	M. Suladze K. Iashvili Q.Qorqia
18.	Calculation of the fracture mechanics of reinforced concrete constructions using methods	Publishing House of Georgian Technical University 2021.	80	D. Gurgenidze M. Suladze
19	Construction demolition mechanics	Publishing House of Georgian Technical University 2022.	129	G. Gureshidze F. Verulashvili L. Balanchivadze A. Tsakiashvili
