

Scientific works by Maia Tsertsvadze (from 2018)

Works

1. N. Kavlashvili, O. Labadze, P. Stavrianidi, D. Purtskhvanidze, M. Tsertsvadze, G. Kiknadze. Modernized robotic manipulator. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #22, 2018, p. 51-53;
2. D. Purtsvanidze, M. Tsertsvadze, P. Stavrianidi, V. Bakhtadze, G. Kiknadze, T. Khutsishvili, K. Kvirikashvili, M. Gegechkori. Multi-joint industrial robot with angular control coordinate. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #24, 2020, p. 65-68;
3. M. Tsertsvadze, V. Bakhtadze. Features of scientific and electronic editions, as one urgent task of digital humanities. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #24, 2020, p.156-162.
4. N. Kavlashvili, O. Labadze, P. Stavrianidi, D. Purtskhvanidze, V. Bakhtadze, M. Tsertsvadze. Improved robotic manipulator. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #25, 2021, p. 63-66;
5. V. Bakhtadze, st. Kvirikashvili, G. Kiknadze, P. Stavrianidi, D. Purtsvanidze, M. Tsertsvadze, T. Khutsishvili. Snake bite suction device. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #25, 2021, p. 85-87;
6. V. Bakhtadze, st. Kvirikashvili, G. Kiknadze, P. Stavrianidi, D. Purtsvanidze, N. Kavlashvili, M. Tsertsvadze, T. Khutsishvili. Mobile robot. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #25, 2021, p. 88-92.
7. M. Tsertsvadze. The cryptography method of the 1832 conspiracy. Archil Eliashvili Institute of Control Systems of the Georgian Technical University Proceedings, Tbilisi, #27, 2023, p. 136-143.

Conferences

1. O. Labadze, P. Stavrianidi, D. Purtskhvanidze, M. Tsertsvadze, M. Stavrianidi. Robot control processing through a new type of joint processing. Scientific practical conference "Digital Technologies Today and Challenges", dedicated to Konstantine Kamkamidze's 90th birthday, Georgian Technical University May 10, 2018, Tbilisi, Georgia.
