

List of Scientific Works

Ramaz Jghenti

#	Title of scientific works	printed or handwritten	Publishing house, magazine (issue, year) or copyright certificate number	Number of printed pages	Last name of the co-author
1	2	3	4	5	6
1	Conceptual foundations of recreational community formation	printed	"Moambe" Academy of Sciences of the Georgian SSR 126, № 1, 1987	4	M.Bilik
2	Mining and recreation center project in Bakhmaro township	printed	Magazine "Science and technique" №2 1987	4	M.Bilik
3	Some issues of optimization of recreational services and rational use of natural resources	printed	magazine "Nature of Georgia" № 4. 1987	1	
4	Actual tasks of designing public catering buildings in resorts of Georgia, taking into account the seasonal fluctuation of the population	printed	The book "Architecture and Construction" of the Georgian SSR, Moscow 1987	5	
5	Problem "Georgia 2000 - Regions", "The concept of town planning development in the resort and recreation areas of Georgia until 2010, development of main directions, forecast of the development of resort farming, tourism and recreation"	printed	Scientific and technical report 4-H-83 problem "Georgia 2000-regions" № ГР018300425936 "Tbilzniyepi", 1983 Implementation	89	M.Bilik

6	Elaboration of scientifically substantiated proposals for determining and reporting the dynamics of growth of the number of unorganized vacationers and the capacity of their flows in 1990-2000-2010 in the settlements-tourist centers and excursion sites of Georgia and the prospective scheme of tourism development until 2010	printed	Scientific and technical report 22-H-84 № ГР01830072380, " Tbilzniyepi", 1984 Implementation	85	M.Bilik
7	"Research - determination of the main factors of development of resort-recreational areas of Georgia, study of natural-climatic and resort resources of Georgia and development of recommendations for planning of resort-recreational areas by drawing up maps and schemes"	printed	Scientific and technical report 6/БД-85 № ГР81061231, Tbilzniyepi", 1985 Implementation	105	M.Bilik
8	Use of metal constructions in public catering buildings, shopping and other types of recreational facilities at Georgian resorts	printed	A collection of reports of the scientific-technical conference with international participation. Tirnovo People's Republic of Bulgaria 22-30. 10. 1986	7	M.Bilik
9	"Issues of processing and researching the main principles and conceptual proposals for the design of public food complexes at the resorts of Georgia, taking into account the seasonal	printed	„Tbilzniyepi", Scientific research work № 37-H-86. 1987	95	

	fluctuations of the population"		Implementation		
10	Processing of scientifically substantiated proposals for the formation of the architectural-planning structure of the recreational-tourist complex of the recreation space of the city-resort Borjomi, the development of the service system until 2015 and the concept of reconstruction	printed	<p>"Tbilzniyepi", Scientific and technical report 9/БД-87 № ГР92055432 1987</p> <p>Implementation</p>	115	M.Bilik
11	In order to perfect the service system of the city-resort Tskaltubo, processing of scientifically based proposals for the use of universal construction systems of domestic and foreign production and lightweight construction elements with versatile transformation capabilities and development of recommendations by drawing up a principle scheme for the formation of the architectural-planning structure of the recreational-tourist system	printed	<p>"Tbilzniyepi", Scientific and technical report 9/БД-87 № ГР92055432 1987</p> <p>Implementation</p>	127	M.Bilik
12	Drawing up principle schemes of the architectural-planning structure of recreational-tourist complexes until 2010 by graph-analytical	printed	<p>"Tbilzniyepi", Scientific and technical report</p>	144	M.Bilik

	characterization (retrospective-perspective) of traditional models of cultural-household services (retrospective-perspective) and promoting the cultivation of public catering attraction-type facilities until 2010 development		25-H-89 № ГР19404532077 1989 Implementation		
13	Analysis of the labor cost of manufacturing a new combined roofing structure	printed	Magazine "Building materials and products", № 1.1995	2	Nino Mskhiladze Shakhi Bakanidze
14	Technology of some methods of reconstruction and strengthening of buildings and construction structures	printed	Theses of reports of the open jubilee scientific-technical conference of professors-teachers dedicated to the 80th anniversary of the Georgian Technical University. 2002	1	N. Mskhiladze M. Javakhishvili Sh. Bakanidze
15	Problems of recreational use of natural resources	printed	Magazine "Energy" № 4(32), 2004	3	
16	The influence of the constructional solution of building frames on their technology	printed	73rd open scientific-technical conference of students of Technical University of Georgia, Tbilisi		D. Malazonia Sh. Bakanidze

			2005		
17	The main principles of optimization of the field of recreational services in the process of utilization and rational use of the landscape-recreational area	printed	Magazine "Energy" № 1 (33), 2005	3	
18	Dependence of the technology of the reinforced concrete frame of a one-story industrial building on its constructional solution.	printed	Reports of the scientific-technical conference "Construction and XXI century" dedicated to the 75th anniversary of the Department of Construction Constructions. Tbilisi, May 24-25 2005	7	D. Malazonia N. Mskhiladze Sh. Bakanidze
19	Determining the technological self-worth of bending elements strengthening devices	printed	Magazine "Energy" № 3 (39) 2006	5	G. Bakanidze N. Mskhiladze Sh. Bakanidze
20	Determining the technological self-cost of the devices for strengthening the bending elements.	printed	Magazine "Energy" № 3 (39) 2006	11	G. Bakanidze N. Mskhiladze Sh. Bakanidze
21	Functional-planning issues of the open network of public catering in the places of mass recreation and tourism at the resorts of Georgia, taking into account seasonal fluctuations in the number of vacationers	printed	Magazine "Energy" № 2(42) 2007	3	
22	Functional development technologies of "attraction" type enterprises and public	printed	Magazine "Energy" №2(42) 2007	3	

	catering and recreation facilities of this type in the resort-recreational field				
23	Construction and non-destructive control methods for ensuring the safety of buildings and structures	printed	Scientific and technical magazine "MSHENEbloBA" № 2(9) 2008	7	G. Lagundaridze I. Gharibashvili
24	Risk management and acceptable risk assessment system	printed	Scientific and technical magazine "MSHENEbloBA" № 3 (10) 2008	7	G. Lagundaridze I. Gharibashvili
25	Soundproofing of meeting rooms and executive offices	printed	Magazine "Energy" №4(48) 5სწ. 2 2008	4	G. Lagundaridze I. Gharibashvili. M.Javakhishvili
26	Processing, marking, cutting and fastening of fiberglass tiles	printed	Magazine "Energy" №4(48) 5სწ. 2 2008	6	M. Javakhishvili M. Chanturia i. Gharibashvili
27	Building acoustics, sound insulation and sound absorption	printed	Scientific and technical magazine "MSHENEbloBA" № 4 (11) 2008	5	M. Javakhishvili M. Chanturia I. Gharibashvili
28	Modern technologies of wallpapering	printed	Scientific and technical magazine "MSHENEbloBA" №4 (11) 2008	5	M. Javakhishvili M. Chanturia I. Gharibashvili
29	Modern mounting foam and sealants - reliable aids during repairs	printed	Magazine "Energy" #2(50)-2 2009	4	M. Javakhishvili I. Gharibashvili
30	An alternative to wallpaper - plaster	printed	Magazine "Energy" №2(50)-2 2009	3	M. Javakhishvili I. Gharibashvili
31	The role of urban planning in recreational unity and the main aspects of urban ecology, taking into account the protection of nature and its rational use	printed	Magazine "Energy" №2(50)-2 2009	3	M. Javakhishvili I. Gharibashvili
32	ENVIRONMENTAL AND ARCHITECTURAL CHALLENGES TO RESORT-RECREATION AREA DESIGN –CASE OF OPEN CATERING NETWORKS	printed	ENERGY 2011 №1 (57)	Page 10	NANULI TEVZADZE

33	Engineering aesthetics and architecture derive from each other	printed	Scientific and technical magazine "MSHENEbloBA" № 1(24), 2012	4	N. Tevzadze
34	Ventilated facades (new technology: a unique way to protect buildings and increase their service life)	printed	Scientific and technical magazine "MSHENEbloBA" №4 (43), 2016	2	Z. Ezugbaya M. Javakhishvili M. Tsikarishvili
35	About the "Construction and Architecture" module	printed	Scientific and technical magazine "MSHENEbloBA" №2 (45), 2017	10	N. Tevzadze
36	Syllabus	printed	MOCOT01 Modern technologies of construction 13.05.2011	5	
37	Syllabus	printed	SDMCT01 Construction production technology, construction space and modern construction technologies 13.05.2011	4	
38	Syllabus	printed	CPTEC01 Construction production technology 13.05.2011	5	
39	Syllabus	printed	BPQWR01 Module (Construction and Architecture) qualification work 13.05.2011	5	
40	Syllabus	printed	ARXOP01 Architecture – organization of space 24.04.2012	6	
41	Syllabus	printed	AAC30301G2 Construction space and construction technologies 23.12. 2017	13	
42	Syllabus	printed	ART40301G1 History of world art 30.03. 2018	16	
43	Syllabus	printed	AAC18001G1 Construction and culture 30. 03. 2018	13	
44	Syllabus	printed	AAC30401G2 Construction methods 16.05 2019	12	
45	Syllabus	printed	AAC30101G2	14	N. Mskhiladze

			Construction processes 30.03.2018		
46	Effective methods of regulating seasonal loads in the public catering network in resort-recreational systems	printed	Magazine "Energy" №1(97) 2021	8	
47	The structure of the town planning organization of public catering open network facilities at the resorts of Georgia	printed	Magazine "Energy" №1(97) 2021	11	
48	Syllabus (Doctoral educational program)	printed	AAC38601G2-LS Structural- compositional and technological features in construction	12	
49	ARCHITECTURAL CHALLENGES OF DESIGNING PUBLIC CATERING FACILITIES OF THE OPEN NETWORK IN RESORT AND RECREATION SYSTEMS.	printed	2nd International Scientific and Technical Conference "Problems of Engineering Science" Dedicated to the Fifteenth Anniversary of the Scientific and Technical Journal "Mshenebloba" ("Building") held on 02.09.2023-08.09.2023 in Batumi, Georgia Scientific-technical Journal №3(67), 2023	3	Mariam Kavrelishvili
50	Effective Methods of Regulating Seasonal loads in the Public Catering Network in Resort-Recreational Systems	printed	"EUROPEAN INNOVATIVE TECHNOLOGIES IN ENVIRONMENTAL ENGINEERING." Part III. 2023	10
