

List of scientific works

DAVIT VARDIASHVILI

(First name, last name)

##	Title of scientific work	Printed or manuscript	Publishing, Journal (number, year) of number of Invention	Number of printed pages	Co-authors
1	2	3	4	5	6
1.	Concerning the technological forecasting steadiness possibilities of the Engineering buildings the earthvakes.	Printed	of engineering seismic International Symposium. Tbilisi-1999	2	A. Sokhadze Z. Cikhelashvili G. Khoferia
2.	Composite system design of retaining wall to the issue.	Printed	Dissertation, Tbilisi 2001	150	
3.	Retaining wall composite system design to the issue.	Printed	Author's abstract, Tbilisi 2001	30	
4.	Retaining wall composite system design Development of the method (monograph)	Printed	GTU, Technical University, Tbilisi, 2004	78	
5.	Methodological guidelines for calculations of monolith reinforced concrete floor covering	Printed	GTU, Technical University, Tbilisi, 2004	65	J. Esaiashvili, L. kakhiani, A. lebanidze
6.	Retaining wall construction Composite-system design is a new method	Printed	Scientific and technical Conference "Construction and XXI century" Reports, Tbilisi 2005	5	
7.	Retaining wall construction Composite-system project	Printed	Scientific and technical Conference "Construction and XXI century" Reports, Tbilisi 2005	1	D.Jaiani

Author

/ D.Vardiashvili /

Acting Head of Department of A. Sokhadze
Civil and Industrial Engineering, Professor

/ L. Kakhiani /
