Assoc. List of scientific works of Professor Leila Christosiashvili (2010-2023)

№	Title of scientific works	Printed or handwritten	Publishing house, magazine (issue, year) or copyright certificate number	Printed i Tabakhis or page bis some Noba	Last name of the co-author
1	2	3	4	5	6
1	Influence of the height of the terraced floors on the seismic impact of the building tense-deformed on the condition	Print edsis ter	Scientific-technical magazine "Construction" #2(17), Tbilisi, 2012	4	L. Zambakhidze I. Sabulua Z. Maisuradze e. Kristesiashvili
2	Influence of soil on the seismic resistance of a building recognized as an architectural monument	Print edsis ter	Stu, international-scientific conference, the main development of science and technology of the 21st century Paradigms, Proceedings I, 2012	5	L. Zambakhidze e. Kristesiashvili q. qorqia
3	The effect of the elastic inertial base on the structure on seismic resistance	Print edsis ter	Scientific and technical magazine "Construction" #2(29), Tbilisi, 2013	4	N. Murgulia, L. Zambakhidze
4	waste in the sea and Waste water discharge problems	Print edsis ter	Stu, Proceedings 2(496), Tbilisi, 2015	14	R, Imedadze M. Manjavidze e. Kristesiashvili
5	Influence of the elastic inertia base on the stress-deformed state of the building. Seismic upon impact	Print edsis ter	Scientific and technical magazine "Construction" #2(29), Tbilisi, 2013	5	N. Murgulia, L. Zambakhidze
6	of waste water cleaning modern methods	Print edsis ter	Stu, Proceedings 2(496), Tbilisi, 2015	13	R, Imedadze M. Manjavidze e. Kristesiashvili
7	Construction calculation of a new type of two and three clamp form shield	Print edsis ter	Scientific and technical magazine "Construction", 3(38), Tbilisi, 2015	9	Sh. Baqanidze d. tabatadze k. iashvili

№	Title of scientific works	Printed or handwritten	Publishing house, magazine (issue, year) or copyright certificate number	Printed in Tabakhis or page bis some Noba	Last name of the co-author
1	2	3	4	5	6
8	Analysis of rotating circular ring disk having constant thickness rigidly fixed by inner contour	Print edsis ter	Problems of mechanics, 2016	8	G. Kipiani D. Jankarashvili A. Tabatadze K. Iashvili
9	The influence of tensile centrifugal forces on the angular speed of the disk and on load intensity	Print edsis ter	Scientific and technical magazine "Construction", 3(42), Tbilisi, 2016	7	D. Jankarashvili D. Tabatadze K. Iashvili
10	Temperatures in disks working in high temperature mode distribution report	Print edsis ter	Scientific and technical magazine "Construction", 2(45), Tbilisi, 2017	3	Z. Nchedlishvili D. Tabatadze
11	In the plan, the complex outline and the height of the terraced floors have an impact on the building Stress-deformed state during seismic impact (grant)	Print edsis ter	Grant, Technical University of Georgia, Tbilisi, 2011	72	L. Zambakhidze E. Kristesiashvili
12	Influence of terracing of the floors on the seismic resistance of the building	Print edsis ter	80th Open International Scientific Conference of Students of Technical University of Georgia, Collection of theses, 2012	1	L. Zambakhidze R. Tckhvedadze
13	Monograph "The plan is complex in outline and height Effect of variable storeys in multi-storey frame buildings on earthquake resistance"	Print edsis ter	Technical University of Georgia, 2017	155	L. Zambakhidze N. Murgulia
14	Issues of innovative management in construction	Print edsis ter	Scientific and technical magazine "Construction", 4(47), Tbilisi, 2017	5	M. Tsorsenidze, V. Balavadze
15	Construction Business and Finance (Textbook)	Elver list	Technical University of Georgia, Library, CD-4900, 2018	150
