

List of scientific and educational-methodical works 2016-2024

Natia Amashukeli

1. M. Gupradze D. Jincharadze N. Amashukeli G. Kargareteli, assessment and prediction of the impact of possible deviation from additivity on the magnitude of systematic errors of multiwave spectral analysis of binary solutions. Engineering News of Georgia N1 **2017**, p. 123-125.

2. N. Amashukeli M. Guftaradze Chemometrics in the standardization of drugs. Bulletin of the National Academy of Sciences of Georgia, N 3-4, **2017**, p. 301-304.

3. N. Amashukeli d. Jincharadze M. Fukradze, Mathematical and statistical processing of the results of the analysis of pharmaceutical preparations. Ceramics and advanced technologies, N 20. 1(39), **2018**, pp. 3-6.

4. Natia Amashukeli - Determination of three components in the preparation Citramon using linear regression. International scientific-methodological conference dedicated to the 85th anniversary of the birth of Academician Givi Tsintsadze. 19-20. 10.**2018**.

5. Natia Amashukeli. Maya Fukradze. - Determination of four components in the drug Undevit using the PCR method of chemometrics. Georgian Technical University. 28 p. The international scientific conference environmental protection and sustainable development is dedicated to professor Victor Eristavi's memory 11- 12.11.**2019**

6. Determination of biologically active substances by chromatographic method, Journal. Ceramics and advanced technologies. **2023**. N. Amashukeli c. Kenkebashvili
