

Marine Kumelashvili

List of scientific works

##	Scientific works Name	printed or hand- writing	Publishing house, magazine (issue, year) or auto- Ro certificate number	Publishing house, magazine (issue, year) or auto- Ro certificate number	Last name of the co- author
1	2	3	4	5	6
1	Geological interpretation of geophysical data and depth structure of molasse riffles of North-Eastern Georgia	printed	energy Journal №1 (65) 2013.	p. 90-94	L.Basheleishvili T. Razmadze- Brokishvili
2	Intensification of natural and modeled tectonic structures on the example of some regions of Georgia.	printed	Journal of Georgian Oil and Gas, №28, 2013	p. 29-35	L.Basheleishvili ⁰ . N.Ruxadze
3	Late Cretaceous structures of Mtkvari oil and gas district	printed	Journal of Georgian Oil and Gas, №29, 2014.	p..47-53	L.Basheleishvili ⁰ . N. Goshuani
4	The genesis of the seismo-tectonic structures of the Rachi earthquake.	printed	Journal of Georgian Oil and Gas, №30, 2015	p. 45-53	L.Basheleishvili ⁰ .
5	Tectonic identification and morphokinetics of related structures	printed	TSU. al. Janelidze Institute of Geology, collection of works 2020.	p. 135-144	L.Basheleishvili ⁰ .. T.Razmadze- Brokishvili

6	Structure and morphology of the crystalline substrate of the southern Caucasus intermountain area (In the limits of Georgia)	printed	Mineralogy Society of Georgia, Grigol Tsu-Lukidze Mining Institute, Sakar Tvelo Technical University, International scientific and practical conference 2021.		L.Basheleishvili
7	Evaluation of the potential of petroleum origin of the sediments of the Maikopi Formation of Eastern Georgia		Journal of Georgian Oil and Gas, №35 2022	p. 50-53	R. managadze
8	"Oil and gas complexes within the Rion mountain range" - a collection of works		Heydar Aliyev and Azerbaijan's Oil Strategy: Advances in Oil and Gas Geology and Geotechnologies ISBN:978-9952-556-50-6 P 230-233 2023		M. suraamelashvili T.Barabadze m.Macharadze N.Jiqia
