

Published literature by Professor T. Barabadze

№	Title of the article	Publishing house, magazine (name, number, year)	Number of pages	Coauthors
1	2	3	4	5
1	The western Greater Caucasus: the evolution of a new sediment source	AAPG Petroleum Systems of the Paratethys. Tbilisi, Georgia, 2013	1	S.J.Vincent
2	Underground gas storage	Materials of XIII International conferences. Moscow (Russia) -Tbilisi (Georgia), 2014	2	I.Gudjabidze R.Managadze
3	The formation and inversion of the western Greater Caucasus Basin and the uplift	DARIUS Symposium. Université Pierre and Marie Curie, Paris, France, 2014	1	S.J.Vincent
4	Underground Gas Storage in Georgia	Magazine: Business engineering, №2, 2014	3	I.Gudjabidze R.Managadze
5	Predicting siliciclastic reservoir presence and quality in the Black Sea	Petroleum Geology of the Black Sea. The Geological Society, London, UK, 2015	1	S.J.Vincent
6	Linking sediment source-sink pathways, provenance and composition	Petroleum Systems of Alpine-Mediterranean Fold Belts and Basins. Bucharest, Romania, 2016	1	S.J.Vincent
7	The Geological Evolution of West Georgia and the Petroleum Potential of the easternmost Black Sea	Conference: AAPG GTW: Exploration and Production in the Black Sea, Caucasus, and Caspian Region. Batumi, Georgia, 2019	1	S.J.Vincent
8	Trends, regulations and financial instruments for the development of gas industry in modern Europe.	Magazine: "Georgian Oil and Gas" (#34), 2021	10	I.Gudjabidze L.Gudavadze Sh.Gudjabidze N.Chkadua
9	Natural gas and power engineering strategy of EU	Magazine: "Georgian Oil and Gas" (#34), 2021	8	I.Gudjabidze L.Gudavadze Sh.Gudjabidze N.Chkadua
10	Problem of natural gas diversification in European countries	Magazine: "Georgian Oil and Gas" (#34), 2021	11	I.Gudjabidze L.Gudavadze Sh.Gudjabidze N.Chkadua
11	Insights from Black Sea sandstone reservoir-quality screening	Conference: AAPG GTW: Exploration and Production in the Black Sea Region and Super-Basin Thinking. Trabzon, Turkey, 09.2022	1	S.J.Vincent
12	Oil and gas-bearing complexes within the Rioni mountain range	The International scientific-practical conference. Baku, Azerbaijan. 2023	4	M.Suramelashvili M.Macharadze M.Kumelashvili N.Jikia

1	2	3	4	5
13	The project of creating a gas hub in Georgia	NATIONAL ACADEMY OF SCIENCES ANAS TRANSACTION SEARTH EARTH SCIENCES. Special Issue. ELSEVIER Scopus. Baku, AZERBAIJAN. 2023	3	I.Gudjabidze Sh.Gudjabidze N.Xundadze L.Gudavadze
14	Underground Gas Storage Project in Georgia, associated with the Kulevi, West and East Chaladidi and Sagvamichay structures	Depositing №6029, Tbilisi. 2014	-	I.Gudjabidze A.Prangishvili
