

D. Chubinidze. At the origins of the Georgian coup d'état. Georgian technical university. Faculty of Law and international Relations. The international referred and reviewed scientific journal "Historical verticals", 2020 year. N44 ISSN 1512 4959

#### Annotation

The work describes the brief history of the coups in the kingdom of Georgia and KartlKakheti during the time of the king Erekle II, and concludes that the overthrow of the Zviad Gamsakhurdia national government had its historical background

D. Chubinidze. Preconditions of the 1991-1992 December-January coup d'état in Georgia. "Matsne" of the National Academy of Sciences of Georgia. 2021 year. N1 ISSN-0132-6058

#### Annotation

The overthrow of the national government of Georgia was not only the cause of internal conflict. The bloody rebellion, which became a tragedy for a small nation, was actually planned by the imperialist powers of the world and used Russia as a "dirty work". The work tells us about this history

D. Chubinidze. Zviad Gamsakhurdia's way to power, being in power and Eduard Shevardnadze as a barrier. Tbilisi. Georgian technical university. Faculty of Law and international Relations. The international referred and reviewed scientific journal "Historical verticals", 2021 year. N47-48 ISSN 1512 4959

#### Annotation

The work, based on documents and primary sources, tells about the barriers and obstacles that Eduard Shevardnadze and his international patrons created for the first president of Georgia and the country's independence.

D. Chubinidze. The visit of the national government of Zviad Gamsakhurdia to the US Senate and Congress (historical discourse). Georgian Technical University. Faculty of Law and International Relations. International scientific-practical conference "Modern world order - political and legal challenges". A collection of articles. Tbilisi. 2022 year. ISBN 978-9941-35-189-2

#### Annotation

In February 1991, the Georgian governmental delegation, consisting of Akaki Asatiani, Tamaz Gamkrelidze, Tedo Paataashvili and Merab Uridia, visited the United States Senate and Congress. During this visit the contradictions revealed, that still appear time and time in the relationship between Georgia and the West!

#### Monograph

D. Chubinidze. World empires. Tbilisi, "Universal" publishing house, 2021. ISBN 978-9941-33-015-5

#### Annotation

Any state aspires to create its "living space", which in the end is nothing more than than empire building; Some succeeds, some not! First Empires were born together with the first states... most of them were fully destroyed and gone through the labyrinths of history, although a part of it has survived to this day - with its bloody past and predatory ambitions.
