

Professor Alexsander Bezhanishvili
List of scientific works (2014-2023)

#	Title of scientific works	Printed or manuscript	Publishing house, magazine (number, year)	Number of quire or pages	Co-author
1	2	3	4	5	6
1.	Improvement of labour conditions and increasing of its safety level by risks estimation and liquidation	Pr	`Georgian oil and gas~, #29, 2014	0,8 quire	N. Bochorishvili I. Bochorishvili N.Razmadze
2.	Active program for labour safety, preparation and planning of risks estimation	Pr	`Georgian oil and gas~, #29, 2014	0,5 quire	N. Bochorishvili I. Bochorishvili N.Razmadze M.Chitoshvili
3.	General requires of technical safety for blasting materials storage	Pr	`Mining magazine~, #1 (32), 2014	0,6 quire	N.Kukuladze
4.	Requires of technical safety for special blasting operations on the ground and under water	Pr	`Mining magazine~, #1 (32), 2014	0,5 quire	N.Kukuladze M.Gogrichiani
5.	Providing employees labour safety and health by risks estimation	Pr	Magazine `Energy~, #2 (70), 2014	0,5 quire	N. Bochorishvili I. Bochorishvili N.Razmadze N.ratiani A.Neverov S.Gigauri
6.	Safety distances during the management of blasting works and explosive materials storage	Pr	`Mining magazine~, #2 (33), 2014	0,5 quire	N.Kukuladze N. Bochorishvili
7.	Analyses and recommendation of technical safety supervision over the hazardous objects of Georgia	Pr	Thesis of report at the conference `Active problems of mining and geology~. Tbilisi, 2014, Mining research Institute	0,1 quire	
8.	About labour protection in Georgia	Pr	`Mining magazine~, #1 (34), 2015	0,6 quire	
9.	About equipment of automobile gas filling compressor station working on natural gas	Pr	`Transport and machinebuilding~, #1 (32), 2015	0,6 quire	J.Iosebidge D.Aladashvili G.Mikadze

1	2	3	4	5	6
10	Issues of site-shows design, installation and operation in terms of their safety	Pr	`Transport and machinebuilding~ #2 (33), 2015	0,5 quire	M. Chilakadze
11	Analisis and recommendations of technical safety supervision over the hazardous equipment of Georgia	Pr	`Mining magazine~, #1 (34), 2015	0,7 quire	
12	About man installations and auxiliary equipment of automobile gas filling compressor station working on natural gas	Pr	`Transport and machinebuilding~, #3 (34), 2015	0,7 quire	J.Iosebidge D.Kupatadze G.Abramishvili
13	Requests of technical safety for transport and electro technical installations of concentrating, sorting and sintering plants of ore and non-metallic mineral resources	Pr	`Mining magazine~, #2 (35), 2015	0,6 quire	D. Talachadze A. Abshilava
14	Requires of technical safety for gas dangerous works	Pr	`Mining magazine~, #1 (31), 2016	0,6 quire	
15	About electro installations safety exploitation for opencast mining	Pr	`Mining magazine~, #1 (36), 2016	0,6 quire	N. Arudashvili
16	About rocks destruction by cutting	Pr	International conference `Innovation development of mining industry~, Thesis. Krivoi Rog. 14 December, 2016	0,2 quire	
17	Requires of safety for opencast mining	Pr	`Mining magazine~, #1 (38), 2017	0,7 quire	
18	Common requires of safety for technological process and equipment of concentrating plants of mineral resources	Pr	`Mining magazine~, #1 (38), 2017	0,6 quire	D.Talachadze A.Abshilava Z.Arabidze
19	About supervision over the technical safety of mining enterprises of Georgia	Pr	International conference `Innovation development of	0,2 quire	

20	Requires of technical safety for gas pipelines, gas equipment building	Pr	mining industry~, Thesis. Krivoi Rog. 14 December, 2017 `Mining magazine~, #1 (40), 2018	0,6 quire	N. Arudashvili Z.Gordeziani M.Megrelidze D.Talachadze A.Abshilava Z.Arabidze O.Lanchava G.Javachishvili N. Arudashvili Z.Xokerashvili
21	Requires of technical safety for gas pipelines, gas equipment building	Pr	`Mining magazine~, #1 (40), 2018	3,5 quire	
22	About safety exploitation of electro equipment	Pr	`Mining magazine~, #1 (40), 2018	0,6 quire	
23	Common requirements of safety for technological process and equipment of concentrating plants of mineral resources	Pr	`Mining magazine~, #1 (42), 2019	0,6 quire	
24	Requires of quarries mechanical equipment safety exploitation and reparation	Pr	`Mining magazine~, #1 (43), 2020 `Mining magazine~, #1 (44), 2021	0,6 quire	
25	About technical inspection of Georgian mining objects	Pr	`Mining magazine~, #1 (44), 2021	0,8 quire	
26	Main regularities of rock tangential cutting aspect and its analysis	Pr	`Mining magazine~, #1 (46), 2023	0,8 quire	
27	Influence of rock physical and mechanical properties on the cutting tool wear and means for tools wear resistance increasing	Pr	World multiprofile earth learner science world 8 th symposium (WMESS 2023), Prague, 27-31 December, 2023. Thesis	0,8 quire	
28	Throughtly effect estimation for working fires	Pr		0,1 quire
