(2014-2024)

#	List of scientific works	Printed/ manuscript	Publishing house, magazine (number, year) / Copyright certificate number	Number of pages	Co-author
1	Basics of repair production design	Printed	Electronic version CD 3591 2017.	33	-
2	Forging and stamping devices	Printed	Electronic version CD 3591 2017.	40	-
3	On the issue of optimization synthesis of an adaptive drive system with elastic connections in the mechanical part	Printed	Transport and mechanical engineering 2017. #2(39)	31-39	T. Mchedlishvili Z. Surmava Z. Mchedlishvili L. Marsagishvili

#	List of scientific works	Printed/ manuscript	Publishing house, magazine (number, year) / Copyright certificate number	Number of pages	Co-author
4	On the issue of the dynamics of transient processes in hydraulic and electrohydraulic servo drives	Printed	Transport 2017.	3-6	T. Mchedlishvili L.Marsagishvili L. Tediashvili T.Kalandadze
5	Multipurpose machine tools		Electronic version CD 3591 2017.	16	-
6	Projecting hydraulic drives		Electronic version CD 3478 2017	178	Z.Gviniashvili
7	Practical works in hydraulic drives	Printed	Electronic version CD 3492 2017.	30	-

#	List of scientific works	Printed/ manuscript	Publishing house, magazine (number, year) / Copyright certificate number	Number of pages	Co-author
8	Interchangeability, standardization and technical measurements	Printed	Course of lectures CD4619 2018.	172	M.Morbedadze
9	Interchangeability, standardization and technical measurements	Printed	Conditions and methodological guidelines for course work CD5077 2018.	61	-
10	Interchangeability, standardization and technical measurements	Printed	Methodological and manual materials for course work CD5076 2018	45	-

#	List of scientific works	Printed/ manuscript	Publishing house, magazine (number, year) / Copyright certificate number	Number of pages	Co-author
11	Basics of repair	Printed	Course of lectures GCD5137 2018.	150	-
12	Installation of hydraulic equipment, assembly, technical operation	Printed	Course of lectures CD4618 2018.	113	-
13	Designing volumetric hydraulic drives	Printed	Course of lectures CD4742 2018.	178	Z. Gviniashvili
14	Designing volumetric hydraulic drives	Printed	practical work CD5080 2018.	30	-
15	Stone processing processes and technical devices	manuscript	Lecture notes (manuscript)	152	-
16	A study of the kinematics of the hypocycloid mechanism	Printed	Scientific and technical journal „Transport and Machine building“ N3 (55), 2022	3	Z. Mchedlishvili L. Tediashvili
