Detartament

List of scientific works

Marghishvili Irakli Avtandil

(surname, name, father's name)

№	Name of Scientific Shores	Printed or hand-written	Publishing Journal (Number, year) or copyright witness Phone Number	Number of printed pages or pages	Surname of co-author
1	Technology and organization of building construction	Printed	Water Farm Institute Scientific work Collection No. 69,2014	4	Inga Iremashvili Zura Ezugbaya
2	Increasing the energy efficiency of buildings The optimal thermal technical characteristics of restrictive constructions For selection	Printed	Scientific Technical Journal "Construction" №1(44),2017წ.	7	Mamuli Long-Lived I. Alexi Kopaliani
3	Energy ephetur buildings and their main tbotenico Machassiths	Printed	Scientific Technical Journal "Construction" №1(45),2017წ.	4	Mamuli Long-Lived I. Alexi Kopaliani
4	Constructive thermal insulation systems of limited buildings Solutions	Printed	Scientific Technical Journal "Construction" №2(49),2018წ.	4	Shakhi Bakanidze Lela Samkharadze
5	The limiting walls of buildings Technology for arranging thermal insulation systems	Printed	Scientific Technical Journal "Construction" №2(49),2018წ.	6	Shakhi Bakanidze Lela Samkharadze

6	Examination of the project of individual two-storey residential house by thermal technical Points of view	Printed	Scientific Technical Journal "Construction" №2(50),2019წ.	4	-
	Method for defining an approximate value of thermal resistance of multilayer confining structures of buildings and constructions	print	Construction of optimized Energy potential" (CZOOEP) Czestochowa university of Technology, lissn"2299-8538.e-issn 2544-963X.in2019	10	Shakhi Bakanidze, adam ujma,Inga iremaSvilia, lela samkharadze

Professor Assistant:

Irakli Marghishvili

Department Head:

Professor Nino Mskhiladze
