

List of scientific works of Zaur Chitidze

2013-2023

1. Z. Chitidze, I. Gelashvili, Z. Balamtsharashvili, A. Gelashvili, V. Abaishvili. Self-loading tractor unit. Patent P5694 date of issue 2013.01.14.
2. Z. Chitidze, I. Gelashvili, V. Kandelaki, M. Chitidze. Determination of oscillation of band saws. Works of Stu N2(482), Tbilisi, 2013
3. Z. Chitidze, T. Mchedlishvili, I. Gelashvili, V. Abaishvili. M. Chitidze, issues of circular saw machine dynamics. Proceedings of Stu N(489), Tbilisi, 2013
4. Z. Chitidze., I. Gelashvili., V. Kandelaki., M. Chitidze., Cleanliness of the processed surface when sawing wood composite materials. Proceedings of GTU No. 2 (483), Tbilisi. 2013.
5. Z. Chitidze., T. Mchedlishvili., I. Gelashvili., V. Abaishvili., M. Chitidze., Construction of a mathematical model of the dynamics of the circular saw drive. Proceedings of GTU No. 3 (489), Tbilisi. 2013.
6. Z. Chitidze, Z. Balamtsurashvili, P. Dundua, v. Abaishvili. i. Gelashvili, timber production and transportation technology. Part I. Help Guide. "Technical University" publishing house. Tbilisi. 2013.
7. Z. Chitidze, Z. Balamtsurashvili, P. Dundua, v. Abaishvili. i. Gelashvili, Woodworking machines and equipment, Part II. "Technical University" publishing house. Tbilisi. 2013
8. Z. Chitidze, I. Gelashvili, Z. Balamtsharashvili, A. Gelashvili, V. Abaishvili. Two-way rope log hauler for timber. Patent P5695 date of issue 2013.01.14.
9. Z. Chitidze, Z. Balamtsurashvili, I. Gelashvili, M. Chitidze, M. Gogotishvili. Development and creation of an automatic conveyor for cutting ornaments. "Transport and machine building" N1(29), Tbilisi, 2014.
10. Z. Chitidze, Z. Balamtsurashvili, I. Gelashvili, V. Abaishvili., M. Zghenti, processing of the measuring mechanism of the bead error of the bead conveyor. "Technical University". N1(29), Tbilisi, 2014.

11. Z. Balamtsharashvili, Z. Chitidze, D. Mosulishvili, R. Tkemaladze. Search and research of self-loading self-loading aggregates. Monograph publishing house "Technical University". Tbilisi. 2015.
12. Z. Balamtsharashvili, Z. Chitidze, R. Tkemaladze. V. Abaishvili. Two-way cross-carrying rope log hauler. Patent P6291 Tbilisi. 2015.
13. Z. Chitidze, Z. Balamtsharashvili, D. Mosulishvili, Natia Chelidze, Z. Tkeshelashvili, R. Tkemaladze, V. Abaishvili. M. Gogotishvili. Automated logging unit. Patent P6403 Tbilisi, 2015.
14. Z. Chitidze, Z. Balamtsharashvili, T. Mchedlishvili, G. Darakhvelidze, G. Navrozashvili, D. Mosulishvili, D. Mosulishvili, N. Chelidze-Tkeshelashvili, D. There are cracks. Two-way rope traction device, cross-carrying. Locked-contour puller with rope. Patent P636 Tbilisi. 2016.
15. Z. Chitidze, I. Gelashvili, M. Gogotishvili, M. zhgenti. A study of the dynamics of band sawing of wood foam boards. "Transport and machine building" N3(37) Tbilisi, 2016.
16. Z. Chitidze, I. Gelashvili, V. Abaishvili, M. zhgenti. The results of the research on the dynamics of band sawing of wood-foam slabs. "Transport and machine building" N3(37) Tbilisi, 2016.
17. Z. Chitidze, Z. Balamtsurashvili, V. Abaishvili, I. Gelashvili. "Wood and wood materials processing machine tools, lathe systems and cutting tools" auxiliary manual publishing house "Technical University" Tbilisi 2017.
18. Z. Chitidze, Z. Balamtsharashvili, D. Mosulishvili, R. Tkemaladze. Technology and machines for the complex mechanization of forestry work processes. Part III. Help Guide. Publishing House "Technical University" Tbilisi 2016.
19. Z. Chitidze, L. Gigineishvili. Problems of forest monitoring in Georgia and ways to solve them. "Transport and machine building" N3(31) Tbilisi, 2014.
20. Z. Chitidze, I. Gelashvili, V. Abaishvili. Study of dynamic parameters of sawing process of frozen pine with band saws. Publishing House "Technical University" N3, Tbilisi 2017.

21. Z. Chitidze, I. Gelashvili, M. zhgenti. "Band saw orientation device". Magazine "Transport and Machine Building" N1(38), Tbilisi, 2017.
22. Z. Chitidze, I. Gelashvili, M. Zhgenti, V. Abaishvili. Study of dynamic parameters of sawing process of dry pine with band saws. Magazine "Transport and Machine Building" N1(38), Tbilisi, 2017.
23. Z. Chitidze, I. Gelashvili, V. Abaishvili. Study of dynamic parameters of sawing process of frozen pine with band saws. Proceedings of Stu Tbilisi 2017.
24. Z. Chitidze, I. Gelashvili, M. Gogotishvili, V. Abaishvili. M. zhgenti. "Band saw orientation device". Patent application N AP2016014372 Tbilisi, 2017.
25. Z. Chitidze, Z. Balamtashvili, R. Tkemaladze, M. Gogotishvili, V. Abaishvili. "Zaradze self-loading self-loading unit with load fixing mechanism" patent application N AP2016014359 Tbilisi, 2017.
26. Z. Chitidze, Z. Balamtsurashvili, V. Abaishvili, I. Gelashvili. "Wood and wood materials processing machine tools, lathe systems and cutting tools" Part I Manual Publishing House, "Technical University" Tbilisi 2017.
27. Z. Balamtsharashvili, Z. Chitidze, D. Mosulishvili, R. Tkemaladze. "Technology and machines for complex mechanization of logging work processes". 111 part. Help Guide. Publishing House "Technical University" Tbilisi 2017.
28. Z. Chitidze, Z. Balamtsurashvili, V. Abaishvili, I. Gelashvili. "Wood and wood materials processing machine tools, lathe systems and cutting tools" Part II, Guide Publishing House, "Technical University" Tbilisi 2018.
29. Z. Chitidze, Z. Balamtsharashvili, D. Mosulishvili, T. Mchedlishvili and other automated log-hauling self-loading aggregate with a load fixing mechanism on the body. Patent P6856, Invention 2018/ 06.26
30. Z. Chitidze, Z. Balamtsurashvili, R. Tkemaladze, M. Akhvlediani, T. Gogoshvili "Determining the total traction force of the traction device on the transverse rope during the insertion of the hooked rope to the felled tree from the top down on the slope". Magazine "Transport and Machine Building" N1(44), Tbilisi, 2019.

31. M.Narimanashvili, Z. Chitidze, T. Gogishvili, R. Tkemaladze, Z. balamwarashvili. "EKOLOGICAL TECHNOLOGY of wood CUTTING PROCESS ON MOUNTAIN LOGGING AREAS AND MODERNIZED SELF- LOADED LOGGING UNIT" Intrnational Scientific jouznal " PROBLEMS of MECHANIGS, Tbilisi 2019.
32. Z. Chitidze, M. Akhvlediani, Z. Balamtshrashvili, T. Mchedlishvili " Two-way rope pulling device with two pulling ropes with cross-transferable closed-loop mountain rope. Patent P2020 7088 B Tbilisi 2020
33. Z. Chitidze, Z. Balamtshrashvili, T. Mchedlishvili, R. Tkemaladze, V. Abaishvili "Bead conveyor of automatic ornament cutting machine" Patent P2020 7093 B Tbilisi 2020
34. Z. Chitidze., I. Gelashvili., M. Zhgenti., M. Gogotishvili. Four-channel device for collecting analog information (part 1) Magazine "Transport and Mechanical Engineering" N1-N2 (47-48). Tbilisi 2020.
35. Z. Chitidze., I. Gelashvili., M. Zhgenti., M. Gogotishvili. Four-channel device for collecting analog information (part 2) Magazine "Transport and Mechanical Engineering" N1-N2 (47-48). Tbilisi 2020.
36. Z. Chitidze, I. Gelashvili, introduction to specialty engineering technology of materials (wood, paper, plastic, glass), lecture notes. "Technical University of Georgia" Tbilisi 2020
37. Z. Chitidze, V. Abaishvili. Primary treatment of wood, synopsis of lectures. "Technical University of Georgia" Tbilisi 2020
38. Z. Chitidze, T. Kandelaki, L. Gigineishvili, I. Gelashvili, C. The mechanism of forest resource valuation and forest cadastre determination. Magazine "Transport and Machine Building" N3(19) Tbilisi, 2020.
39. Z. Chitidze, T. Kandelaki, Z. Balamtsurashvili, I. Gelashvili, I. Drezheshvili Determining the effectiveness of timber production and economically available resources. Magazine "Transport and Machine Building" N3(19) Tbilisi, 2020.
40. Z. Chitidze, I. Gelashvili, M. Sarishvili, M. Zhgenti, N. Bzhalava, M. Gogotishvili. "Research of cutting process of new composite materials with high strength" Part I Journal "Transport and Mechanical Engineering" N2(51) Tbilisi 2021.

41. Z. Chitidze, I. Gelashvili, I. Tavadze, M. Zhgenti, N. Bzhalava, M. Gogotishvili, "Research of cutting process of new composite materials with high strength" Part II Journal "Transport and Mechanical Engineering" N2(51) Tbilisi, 2021.
42. Z. Chitidze, Z. Balamtskrashvili, T. Mchedlishvili, R. Tkemaladze. "Technology, machinery and organization of forestry works" Part IV. Auxiliary manual Publishing house "Technical University of Georgia" Tbilisi 2021.
43. Z. Chitidze, Z. Balamtskrashvili, L. Gigineishvili, R. Tkemaladze. d. Mosulishvili. "Forestry machines and logging units" part I. Auxiliary manual Publishing house "Technical University of Georgia" Tbilisi 2021.
44. Z. Chitidze, Z. Balamtskrashvili, R. Tkemaladze. d. Mosulishvili, M. Akhvlediani. "Environmentally safe technology of forestry work processes and cross-transportable rope haulage machines Part II. Auxiliary manual Publishing house "Technical University of Georgia" Tbilisi 2021.
45. Z. Chitidze, Z. Balamtskrashvili, M. Akhvlediani, I. Gelashvili, M. Gogotishvili, "Body-arrow mechanism of self-loading self-propelled unit with hydromechanical drive" patent P20217283B invention 2021.02.08.
46. Z. Chitidze, I. Gelashvili, T. Monyava, M. Zhgenti, E. Sarishvili, P. Kapanadze "Study of power parameters of light wood-polymer composites sawing process with band saws (Part I). Magazine "Transport and Machine Building" N1(53) Tbilisi, 2022.
47. Z. Chitidze, I. Gelashvili, T. Monyava, M. Zhgenti, E. Sarishvili, P. Kapanadze, "Study of power parameters of heavy wood-polymer composites sawing process with band saws (Part II). Magazine "Transport and Machine Building" N1(53) Tbilisi, 2022.
48. Z. Chitidze, R. Tkemaladze, Z. Balamtskrashvili, V. Abaishvili, I. Gelashvili "Short-distance mobile aerial cable-carrying device". Patent P202374 62B Invention 10-01-2023.
49. Z. Chitidze, I. Gelashvili, E. Sarishvili, M. Zhgenti "Research on the process of rotary milling of lightweight wood-polymer composites". Magazine "Transport and Machine Building" N2(57) Tbilisi, 2023.

50. Z. Chitidze, I. Gelashvili, E. Sarishvili, M. Zhgenti "Research on the process of light-weight wood-polymer composites". Magazine "Transport and Machine Building" N2(57) Tbilisi, 2023.
