

Manana Matnadze- associate professor of the Department of Chemical and Biological Technologies of the Technical University of Georgia
List of works

№	Title of scientific works	Printed or electronic version	Journal, book (handbook), publisher, issue, year or copyright number	authors
1	2	3	4	5
1	Some new derivatives of 3H benzo[b]thiophene[3,2-e]benzimidazole	Printed	Chemistry of Heterocyclic Compounds March 2013, Volume 48, Issue 12, pp 1801-1804	M. G. Maisuradze, V. O. Ananiashvili, M.G. Alapishvili, N.Z. Gakhokidze, M.M.Matnadze G.A.Palavandishvili
2	Acetyl derivatives of benzo[b]thiophene/furoben e-zotriazoles	Printed	Chemical Journal of Georgia. N1. 2013. pp.43-46	M. Maisuradze, G. Ugulava, N. Gakhokidze, N. Bolkvadze, G. Falavandishvi M.Matnadze
3	Some New Derivatives of 3H-Benzo (b) Furobenzotriazole	Printed	Journal of Chemistry and Chemical Engineering. USA Vol.7, No. 7, 2013	M.Maisuradze, G.Ugulava, N. Bolkvadze, G. Phalavandishvili, N. Gaxokidze M.Matnadze
4	New diazo/triazo-containing tetracyclic condensed systems based on dibenzothiophene and dibenzofuran	Printed	Natural and synthetic biologically active substances. November 25. 2013-12-03. Tbilisi. pp. 71-73	M. Maisuradze, G. Falavandishvili, N. Gakhokidze, E. Kalandia, M.Matnadze, G. Ugulava, S. Tskvitaia
5	New Triazole- and Dibenzothiophene Dioxide-Containing Tetracyclic Condensed Systems	Printed	"Ceramics" magazine of the Association of Georgian Ceramicists 2016, vol.18.2(36), p.40-47	M. Maisuradze, E. Kalandia, N. Gakhokidze, M.Matnadze, G. Falavandishvili
6	Novel diazole/triazole and dibenzothiophenedioxide containing pentacyclic systems with promising biological activities.	Printed	"Ceramics" magazine of the Association of Georgian Ceramicists 2016, vol.18.2(36), 33.48-53	M.Maisuradze, G.Phalavandishvili, N.Gakhokidze, E.Kalandia, M.Matnadze

7	Novel diazole/triazole and dibenzothiophenedioxide containing pentacyclic systems with promising biological activities	Printed	International Journal of Organic Chemistry.2017 V7, 3, 34-41.	G. Phalavadishvili, N. Gakhokidze, S. Tskhvitaia, E.Kalandia, M.Matnadze
8	Novel Imidazole and Dibenzothiophene-dioxide Containing Tetracyclic Systems	Printed	Chemical Science International Journal 18(4):1-8, 2017 (Previously known as American Chemical Science Journal ISSN;2249-0205)	M. Maisuradze, E. Kalandia, S. Tsqvitaia, M.Alapishvili, M.Matnadze, N. Gakhokidze and G. Phalavandishvili
9	Preparation of tetracyclic heterocyclic compounds containing benzothiophene/benzimidazole	Printed	"Chemistry - achievements and perspectives" International conference dedicated to the 85th anniversary of Academician Givi Tsintsadze 2018 p.134-137	M.Maisuradze, N.Gakhokidze, E.Kalandia, M.Matnadze
10	New imidazole/triazol- and dibenzothiophenedioxide-containing tetracyclic condensed systems	Printed	International scientific and technical conference dedicated to Prof.Victor Eristavi's 80th birthday, "Environmental protection and sustainable development" Tbilisi 2019 p.72-73	M. Maisuradze, E. Kalandia, S. Tsqvitaia, M.Matnadze, N. Gakhokidze G. Phalavandishvili
11	Heterocyclic condensate systems based on coumarin.	Printed	International Scientific Conference, CHTAB 2020. CHEMICAL AND TECHNOLOGICAL ASPECTS OF BIOPOLYMERS. Tbilisi 2020. P.97-100.	M.Maisuradze, E.Kalandia, M.Matnadze, G.Phalavandishvili, N.Gakhokidze,
12	Heterocyclic condensed Phenothiazine systems on the base.	Printed	"Chemistry - achievements and Perspectives " for the 90th anniversary of Academician G. Tsintsadze International conference Tbilisi. 2023. p.216-219	M.Maisuradze, E.Kalandia, M.Matnadze, G.Phalavandishvili, N.Gakhokidze, S. Tskvitaia Kh. Tserodze
13	8H-triazole[6,7-f]-of coumarin and 7-	Printed	"Chemistry - achievements and	M.Maisuradze, E.Kalandia,

	benzoyl-8H-triazole[6,7-f]- Synthesis of coumarin		Perspectives" by Academician G. International-scientific event dedicated to Tsintsadze's 90th birthday Proceedings of the conference collection. Tbilisi 2023.	M.Matnadze, G.Phalavandishvili, N.Gakhokidze, S. Tskvitaia
14	SYNTHESIS OF 1H IMIDAZOLO[3,2-b]-PHENOTHIAZINE-10,10-DIOXIDE AND 2-BENZOIL- 1H-IMIDAZOLO[3,2-b]-PHENOTHIAZINE-10,10-DIOXIDE	Printed	2 th International Scientific Conference on Chemical & Technological Aspects of biopolimer. BATUMI 2023. p. 91-92	M. Maisuradze, E.Kalandia, G.Phalavanhvili, N.Gakhokidze S. Tskvitaia Kh. Tserodze

Scientific grants

years	role in the project	Name of the project	Funding organization
2012-14	main performer	“Screening of antiviral activity of indole-containing condensed systems for use in veterinary medicine”	NP450. STCU.

Author, Associate Professor:

M.Matnadze
