

Georgian Technical University

Faculty of Construction

List of scientific works

LiaBeridze

N	Title of scientific works	Printed or handwritten	Publishing house, journal (issue, year) or copyright certificate number	The number of printed sheets or pages	Last name of the co-author
1	2	3	4	5	6
1	Buildings Technical damage Diagnostics (methodical instructions Laboratory work to perform)	Printed	Georgian Technical University 2013	82Pg.	M. cekarishvili G. metreveli M. khucishvili
2	Technical diagnostics (manual)	Printed	Georgian Technical University 2015	244Pg.	M. cekarishvili G. metreveli M. Vardiashvili
3	Garbage incinerator stations environmental minimum with dirt	Printed	Scientific and technical "Construction" Journal - #3(42), 2016	4Pg.	R. Imedze T. Magradze
4	Participation in civil engineering In space research	Printed	Scientific and technical "Construction" Journal #4(43), 2016 I.	4Pg.	R. Imedze T. Magradze
5	Designing the environment	Printed	Scientific and technical "Construction" Journal	4Pg.	R. Imedze T. Magradze

			#1(44), 2017 I.		
6	Architecture and constructions	Printed	Scientific and technical "Construction" Journal #2(45), 2017 I. Tbilisi	5Pg.	R.Imedze T. Magradze
7	Designing a total-solar-radial machine	Printed	2021 I.	52Pg.	S. Mebonia S.Chagelis hvili M.Iadze A.Shermazanashvili
8	The direction of deformations and mikrobending Determination of fiber-optic interferometer through a transmitter	Printed	Scientific and technical "Construction" Journal #3(63), ISSN1512- 3936 2022	7Pg.	G.metreveli Z.Cickishvili
9	Force and pressure fiber optic transmitter Mathematical model	Printed	Journal, transporti da energia". #2(57)2023 I.	5Pg.	B. Churchelauri G. Metreveli
10	Determining the residual capacity of concrete and according to the reinforcement strength criteria in the operation period of reinforced concrete coils	Printed	Journal, transporti da energia". #3(67), ISSN1512- 3936 2023 I.	7Pg.	G.metreveli Z.Cickishvili
11	Assessment of the residual load-bearing capacity of reinforced concrete structures in service based on their physico-mechanical properties	Printed	Scientific and technical "Construction" Journal 2(70) 2024, ISSN 1512-3936,		G. metreveli Q. Kiladze

12	Passive and active systems for protecting structures	Printed	Help Guide	127pg	Gela Metreveli Maia Wanturia BadriWulwelaury
13	Enguri Hydroelectric Dam Georgian Engineering	Printed	Georgian TecnicalUniversiti student conferense on innovative technologies in Engineering (2024) Georgian TecnicalUniversiti student conferense on innovative technologies in Engineering (2024, 8-9.07)	15pg	GiorgiKuprashvili AvtandilGogoladze
14	Svaneti tower	Printed	Georgian TecnicalUniversiti student conferense on innovative technologies in Engineering(2024)		LalaLuarsamidze
15	New Construction Standards: Eurocodes and Their Impact on Georgia's Infrastructure Development"	Printed	Georgian TecnicalUniversiti student conferense on innovative technologies in Engineering(2024)		NiniMukhigulashvili

16	The Golden Gate Bridge Bridge Construction	Printed	Georgian Technical University student conference on innovative technologies in Engineering(2024)		Akaki Wilaia
17	How Was Venice Built: An Engineering Marvel	Printed	Georgian Technical University student conference on innovative technologies in Engineering(2024)		Kakhi Suliashvili
