

Mikheil Pipia

Personal Information

Name Surname: **Mikheil Pipia**
Date of Birth: 1972-12-04
Sex: Male
Citizenship: Georgian
Phone: 593556511
Email: m.pipia@gtu.ge

Education

Academic Degree: Ph.D./Equivalent to Ph.D
Educational Institution: Jakob Gogebashvili Telavi State University
Qualification: Meteorology, Climatology
Date of grant: 2016-06-23
Country: Georgia

Academic Degree: Master's/Equivalent to Master's
Educational Institution: Georgian Institute of Business Organization and Technology
Qualification: Manager
Date of grant: 1999-05-27
Country: Georgian

Work Experience

Organization: Institute of Hydrometeorology of Georgian Technical University
Structural Unit: Department of Climatology and Agrometeorology
Position: Senior Scientist
Date of commencement of work: 2015-01-05
Date of completion of work: till today

Organization: Institute of Hydrometeorology of Georgian Technical University
Structural Unit: Administration
Position: Material and technical resources, chief specialist
Date of commencement of work: 2008-08-01
Date of completion of work: 2014-12-30

Projects & Grants

Name of the project/grant: Study of climatic characteristics of the hazardous meteorological phenomena on the Territory of Georgia (FR-22-2882)
Position: Coordinator
Donor: Shota Rustaveli National Science Foundation of Georgia
Leader Organization: Georgian Technical University. Institute of Hydrometeorology
Start | End Date: 2023-03-21 - 2026-03-21

Name of the project/grant: Avalanche danger on the roads of the mountainous regions of Georgia and recommendations for its mitigation - FR-21-1677
Position: Principal investigator
Donor: Shota Rustaveli National Science Foundation of Georgia
Leader Organization: Georgian Technical University. Institute of Hydrometeorology
Start | End Date: 2022-03-17 - 2025-03-17

Name of the project/grant: Blizzard in the territory of Georgia- YS-17-49
Position: Principal investigator
Donor: Shota Rustaveli National Science Foundation of Georgia
Leader Organization: Georgian Technical University. Institute of Hydrometeorology
Start | End Date: 2017-12-13 - 2019-12-13

Name of the project/grant: Investigation of climatic characteristics of hail in Kakheti region (intensity, number of days, repeatability) - DO /63/9-110/13
Position: Principal investigator
Donor: Shota Rustaveli National Science Foundation of Georgia
Leader Organization: Iakob Gogebashvili Telavi State University
Start | End Date: 2013-12-12 - 2015-03-03

Conference, Symposium, Award

- 2013-12-01 - International conference dedicated to the 80th anniversary of the Institute of Geophysics of M. Nodia "Actual problems of geophysics"

- 2014-12-15 - Fundamental and applied aspects of creating biosphere-compatible systems. II International Science-Technical Internet Conference
- 2014-10-20 - International Science Conference "80 Years of the Faculty of geography of National University"
- 2014-06-08 - International Science Conference "Ecology & Safety"
- 2017-09-21 - International Scientific Conference "Landscape Dimension of Sustainable Development: Research - Planning - Management"
- 2018-05-25 - International scientific conference "Modern problems of ecology"
- 2018-07-22 - 27th International Conference ECOLOGY & SAFETY
- 2018-07-25 - 7th International Conference "Agriculture and Food", Burgas, Bulgaria
- 2019-07-02 - 28th International Conference "Ecology and Safety" , Burgas, Bulgaria
- 2019-12-12 - International Scientific Conference "Natural Disasters in Georgia: Monitoring, Prevention, Mitigation of Consequences", Tbilisi, Georgia
- 2020-09-26 - International Scientific Conference "Modern Problems of Ecology", Tbilisi-Telavi, Georgia
- 2022-11-21 - International Conference of Young Scientists "Modern Problems of Earth Science"
- 2023-04-21 - International scientific conference "Chemistry-achievements and perspectives" dedicated to the 90th anniversary of the birth of Academician Givi Tsintsadze
- 2023-11-01 - International Conference "Geography-Past, Present, Future Challenges"
- 2023-09-14 - MICROCLIMATIC FEATURES IN SMALL TOWNS AND THEIR UNDERLYING CAUSES
- 2023-11-16 - International scientific conference "Geophysical processes taking place in the Earth and its shells"
- 2023-10-17 - The Fifth Eurasian Conference, dedicated to the 100th anniversary of Heydar Aliyev "Innovations in Minimization of Natural and Technological Risks"
- 2023-09-05 - 11th International Conference On Sustainable Development (ICSD)
- 2023-08-14 - ECOLOGY & SAFETY, 32rd International Conference
