Position: ანობტგნტო
Date of commencement of work: 1979-12-01
Date of completion of work: 1987-09-29

Organization: Agricultural Institute
Structural Unit: Department of Agricultural Reclamation
Position: Assistant
Date of commencement of work: 1979-12-01
Date of completion of work: 1987-09-29

Internship

Organization: ADCI-VOKA
Subject: Nutritional management of dairy cattle
Country: Georgia
Date: 2015-01-01

Organization: USAID. CNFA
Subject: zero soil, minimal conservation tillage technologies
Country: Georgia
Date: 2011-06-08

Organization: USAID. CNFA
Subject: "Good (GEP) Agricultural Practices and Food Safety".
Country: Georgia

Date: 2010-02-02

Organization: CLAAS AKADEMY
Subject: "Modern teaching methods for teaching in agricultural higher education institutions".
Country: Georgia
Date: 2009-03-03

Organization: IFAD
Subject: "Gender Analysis for Mountainous Regions"
Country: Georgia
Date: 2004-04-01

Organization: USAID. LANNND O, LAKES, INC. APDEN Xillz. MINEZOTA.,
Subject: "აგრობიზნესის მენეჯმენტი".
Country: Georgia
Date: 1994-01-20

Projects & Grants

Name of the project/grant: Organic products of mountain breeding and sustainable production of (organic) breeding goods based on climate-smart technologies
Position: manager
Donor: Georgian Technical University
Leader Organization: Georgian Technical University
Start | End Date: 2022-10-02 - 2025-10-05

Name of the project/grant: Organic raspberry production in the greenhouse and multiple harvests throughout the year in the foothills
Position: manager
Donor: Georgian Technical University
Leader Organization: Georgian Technical University
Start | End Date: 2022-10-02 - 2024-10-05

Name of the project/grant: Innovative biotechnology of obtaining water from the air in arid zones of mountainous regions
Position: manager
Donor: Georgian Technical University
Leader Organization: Georgian Technical University
Start | End Date: 2022-01-04 - 2025-12-31

Name of the project/grant: Organic wine production in the mountain farming zones of Western Georgia
Position: manager
Donor: Georgian Technical University
Leader Organization: Georgian Technical University
Start | End Date: 2022-01-04 - 2025-12-13

Name of the project/grant: Organization of cultivation of edible grasses in farms of mountainous regions
Position: manager
Donor: IPEC countries
Leader Organization: IFAD
Start | End Date: 2009-12-31 - 2011-12-29

Name of the project/grant: Facultative barley production in the highlands of Georgia
Position: manager
Donor: IPEC countries
Leader Organization: IFAD
Start | End Date: 2008-12-02 - 2011-12-29

Name of the project/grant: Organic vegetable production and sowing in the mountainous region of Georgia"
Position: manager
Donor: IPEC-ol countries
Leader Organization: IFAD
Start | End Date: 2008-12-02 - 2008-12-31

Name of the project/grant: Modern means of plant protection and their use in mountainous regions of Georgia
Position: manager
Donor: IPEC-ol countries
Leader Organization: IFAD
Start | End Date: 2004-12-01 - 2006-12-28

Name of the project/grant: Production of seed and food potatoes in the mountainous regions of Georgia.
Position: manager
Donor: IPEC countries
Leader Organization: IFAD
Start | End Date: 2003-12-02 - 2015-12-31

Name of the project/grant: Organic production of some vegetable crops in the highlands of Georgia
Position: manager
Donor: German government
Leader Organization: GTZ

Start | End Date: 2003-04-01 - 2005-12-29

Name of the project/grant: Getting two harvests of potatoes per season in Georgia and sowing
Position: manager
Donor: World Bank
Leader Organization: Georgian Ministry of Agriculture
Start | End Date: 2003-02-04 - 2005-11-30

Name of the project/grant: Demonstration of intensive, climate-friendly technologies for growing food and seed potatoes in the highlands of Georgia
Position: manager
Donor: IPEC-ობ countries
Leader Organization: IFAD
Start | End Date: 2003-02-04 - 2011-06-30

Name of the project/grant: Prospects of organic production of some new, non-traditional vegetable crops (Savoy cabbage, okra, kohlrabi, broccoli, Stakhis) in the highlands of Georgia
Position: manager
Donor: IPEC-ობ countries
Leader Organization: IFAD
Start | End Date: 2003-02-01 - 2006-12-28

Name of the project/grant: Prospects for planting intensive gardens in Georgia (Skra, Tsnisi)
Position: manager
Donor: German government
Leader Organization: GTZ
Start | End Date: 1999-04-06 - 2003-03-27

Name of the project/grant: Medicinal plants Stakhis, dwarf walnut. Agrotechnical study of Shavbalakh, Tobinamburi and Topinmzesumzira, Krazana, extraordinary Yordasalmi, Farsmanduk, Katbalakha
Position: manager
Donor: German government
Leader Organization: GTZ
Start | End Date: 1998-01-29 - 1999-11-30

Name of the project/grant: The effect of mineral nutrition DS irrigation regimes on the yield of German wheat (DSV, BANDIT, KOPER) under the conditions of the Mukhrani field
Position: manager

Donor: German government
Leader Organization: GTZ
Start | End Date: 1995-10-03 - 1998-10-29

Name of the project/grant: Cultivation of potatoes on a small contour plot in the mountains of Georgia
Position: manager
Donor: German government
Leader Organization: IFAD
Start | End Date: 1993-01-05 - 1998-09-30

Name of the project/grant: "The influence of mineral fertilizers on the yield of seed corn"
Position: manager
Donor: Agricultural Institute
Leader Organization: Agricultural Institute
Start | End Date: 1990-12-25 - 1995-11-28

Name of the project/grant: Study of corn irrigation regime and optimization of mineral nutrition in the irrigation conditions of Gardaban Marneuli Valley
Position: manager
Donor: Agricultural Institute
Leader Organization: Agricultural Institute
Start | End Date: 1986-06-04 - 1990-12-25

Name of the project/grant: The study of the influence of mineral fertilizers on the economic and biological indicators of fall wheat Tbilisi 5 in the non-irrigated conditions of Tianeti
Position: manager
Donor: Agricultural Institute
Leader Organization: Agricultural Institute
Start | End Date: 1983-04-05 - 1985-04-30

Name of the project/grant: Preparation of a recommendation for production on "cultivation of triticales edible variety and its use to obtain two crops on the same plot"
Position: manager
Donor: Agricultural Institute
Leader Organization: Agricultural Institute
Start | End Date: 1981-03-03 - 1983-03-30

Name of the project/grant: Study of edible triticales varieties and selection-introduction of new Georgian variety "Kartli 2"
Position: manager
Donor: Agricultural Institute

Leader Organization:	Agricultural Institute
Start End Date:	1975-01-05 - 1981-01-28

Leadership of educational programs

Management of organic farming systems in mountainous regions

Conference, Symposium, Award

- 2022-06-08 - for the international conference "World Viticulture - Winemaking"; History, modernity and perspectives of sustainable development. "Green economy and us".
- 2021-05-18 - for the international conference "World Viticulture - Winemaking"; History, modernity and perspectives of sustainable development. "Green economy and us".
- 2023-10-27 - Technical University of Georgia, International Scientific Conference Natural Resources and Resorts as Factors of Sustainable Development
