Additional information

In 1981, I was awarded the State Prize of the USSR in the field of science and technology. I received a gold laureate medal in the Kremlin. The state received 1.5 billion rubles in 1981-89

Economic effect, because my inventions are related to nuclear energy issues, namely remote control systems for uniform fission of uranium rods.

I have 9 copyright certificates for inventions issued by the State Committee of the USSR: No. 517979-1976. , No. 513461 - 1976 , No. 577616-1975 No. 544086-1975, No. 661694-1975
