

# nino Adeishvili

## Personal Information

Name Surname: **nino Adeishvili**  
Date of Birth: 1975-09-24  
Sex: Female  
Citizenship: Georgian  
Phone: 599243224  
Email: [adeishvilinino03@gtu.ge](mailto:adeishvilinino03@gtu.ge)

## Education

Academic Degree: Ph.D./Equivalent to Ph.D  
Educational Institution: Georgian Technical University , Faculty of Mining and Geology  
Qualification: Geological planning of useful mineral deposits, search specialty  
Date of grant: 2012-07-24  
Country: Georgia

Academic Degree: Master's/Equivalent to Master's  
Educational Institution: Georgian Technical University , Faculty of Mining and Geology  
Qualification: Geological planning of useful mineral deposits, search specialty  
Date of grant: 1999-07-26  
Country: Georgia

Academic Degree: Bachelor  
Educational Institution: Georgian Technical University , Faculty of Mining and Geology  
Qualification: Geological planning of useful mineral deposits, search specialty  
Date of grant: 1996-07-26  
Country: Georgia

## Work Experience

Organization: : Georgian Technical University, Faculty of Mining and Geology  
Structural Unit: Department of Applied Geology  
Position: assistant professor  
Date of commencement of work: 2021-09-01  
Date of completion of work: till today

Organization:	STU, Faculty of Mining and Geology
Structural Unit:	Department of Applied Geology
Position:	senior teacher
Date of commencement of work:	2017-09-01
Date of completion of work:	2021-07-01

---

Organization:	Georgian Technical University, Faculty of Mining and Geology
Structural Unit:	Department of Applied Geology, Department of Mineralogy, Petrology and Geochemistry N30
Position:	laboratory assistant
Date of commencement of work:	2007-01-09
Date of completion of work:	2019-07-01

---

Organization:	Georgian Technical University, Faculty of Mining and Geology
Structural Unit:	At the Republican Center for Gemology and Mineral Substances Research, Diagnostics and Processing at the Department of Mineralogy, Petrology and Geochemistry N30
Position:	As a leading engineer
Date of commencement of work:	2006-11-22
Date of completion of work:	2007-07-01

---

Organization:	Georgian Technical University, Faculty of Mining and Geology
Structural Unit:	the Republican Center for Research, Diagnostics and Processing of Gemology and Mineral Substances at the Department of Mineralogy, Petrology and Geochemistry N30
Position:	Participation in contractual topics in the position of an engineer
Date of commencement of work:	2005-09-01
Date of completion of work:	2007-07-01

---

Organization:	Georgian Technical University, Faculty of Mining and Geology
Structural Unit:	the Republican Center for Research, Diagnostics and Processing of Gemology and Mineral Substances at the Department of Mineralogy, Petrology and Geochemistry N30
Position:	Participation in contractual topics in the position of an engineer
Date of commencement of work:	2005-09-01
Date of completion of work:	2007-07-01

---

Organization:	Georgian Technical University, Faculty of Mining and Geology
---------------	--

Structural Unit:	At the Republican Center for Gemology and Mineral Substances Research, Diagnostics and Processing at the Department of Mineralogy, Petrology and Geochemistry N30
Position:	in the position of senior laboratory assistant
Date of commencement of work:	2000-09-01
Date of completion of work:	2006-09-04

---

## Qualification Raising

### Trainings

Organization:	Georgian Technical University
Subject:	training for professors-teachers - Effective communication between professor and student
Country:	Georgia
Date:	2014-06-10

---

### Internship

Organization:	The program is sponsored by the US Embassy in Georgia and implemented by Georgian Research-development Foundation (GRDF) and US CRDF Global
Subject:	Company/Institution Certificate - For providing six-month mentorship for participants of the Girls in Science Innovation Competition -significant contribution to successful advancement of knowledge among young female students in science innovation-leadership skill development.
Country:	Georgia
Date:	2014-11-10

---

## Projects & Grants

Name of the project/grant:	Complex research of mining industry waste and development of technologies for their utilization CARYS-19-668
Position:	Support Staff
Donor:	Shota Rustaveli National of Georgia Scientific Foundation
Leader Organization:	LSI Grigol Tsulukidze Mining Institute
Start   End Date:	2020-07-31 - 2021-04-29

---

## Conference, Symposium, Award

- 2014-09-15 - Organizing Committee of XIII international conference certifies that N. Adeishvili has attended the XIII international conference Resource-Reproducing, Low-Waste and Environmental

## Technologies for Exploitation of Mineral Resources

- 2015-04-23 - Scientific-practical conference of the mineralogical society of Georgia The strength of the field of geology is a prerequisite for the revival of the economy
- 2016-06-19 - The International Scientific - Practical Conference of Mineralogical Society of Georgia POWER OF THE GEOLOGIC BRANCH IS THE PRECONDITION FOR THE ECONOMIC REGENERATION
- 2017-06-01 - 3rd International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2018-05-29 - 4th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2019-09-02 - 5th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2020-09-01 - 6th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2021-09-04 - 7th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2022-09-12 - 8th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2023-05-29 - 9th International Scientific-Practical Conference on Up-to-date Problems of Geology, POWER OF GEOLOGY IS THE PRECONDITION FOR REGENERATION OF ECONOMICS
- 2018-11-14 - SSI Gr. Tsulukidze Mining Institute, I-5 Scientific conference: Actual problems of mining and geology
- 2016-11-09 - SSI Grigol Tsulukidze Mining Institute, I-3 Scientific conference: Actual problems of mining and geology
- 2015-11-11 - SSI Grigol Tsulukidze Mining Institute, I-2 Scientific conference: Actual problems of mining and geology
- 2014-10-15 - 1 st International Scientific Conference of young scientists and specialists. The Role Of Multidisciplinary Approach In Solution Of Actual Problems Of Fundamental And Applied Sciences (Earth, Technical And Chemical)Baku/Azerbaijan
- 2013-05-27 - Scientific Conference Granitoids: Formation conditions and mineralogy. Kiev, Ukraine
- 2011-10-05 - The 4 th International Scientific conference of young scientists and students Earth sciences new approaches and achievements. Baku

## Languages

- Georgian
- English
- Russian

## Additional information

1. Metallurgical testing of gold-bearing ores of Sonajil deposit. Geological Research Center LLC, No. 01-08/17 (01.08.2017)
2. preparation of samples of gold-bearing ores for chemical analysis and determination of gold;

determination of molybdenum in geological samples; 7 Results of geological sample flotation. Agreement No. 18-18/04. Geological Research Center LLC

3. Testing of polymetallic ores and quartzites on beneficiation - N13-18/09(05.02.2013)
4. Testing of gold-bearing ores using cyanide leaching technology - N13-18/01(04.01.2013)
5. Bektakar, Hall, Imedi, Bhudikhevi, sq. Technological test of samples of surface and reverse drilling of gold-bearing ores of Bolnisi, Tsilikhevi deposit - N11- 18/34 C (04.10.2012)
6. Initial study of the technological properties (enrichment) of gold-bearing ores of the Dark-Khevi gold-polymetallic ore occurrence - Kavkasia Mining Group LLC
7. Initial technological testing of small laboratory samples of Bostanabad and Sonajil deposits - Geological Research Center LLC.

LSI Grigol Tsulukidze Mining Institute, Department of Analytical Chemistry and Mineral Enrichment:

-2012-2015 specialist

-2015 (freelancer) specialist

- From 2017 to 2021 in the position of s/g specialist.
