Additional information

Brief description

While still a student (1996-2000), I was accepted into a coaching program, I took part and began conducting trainings.

During the same period, with third- and fourth-year students, I worked as part of the student group "Program of assistance in the learning process of first- and second-year students by

students," Based on the principle of driving on the beaten path, within the framework of which I conducted seminars on a special course

entitled "Georgia and the Outside World".

At the same time, I participated in international meetings to create a unified textbook on a unified history of the countries of the Black Sea basin.

At international meetings on the translation of the "Oxford Synchronous Historical Encyclopedia" from English into Georgian, enriching it with Georgian materials and episodes of Georgian history of international significance.

Since 2002 I have been engaged in scientific and educational work at the Georgian Technical University.

At the same time, I worked at the Black Sea International University, Caucasus University, Sukhumi State University, Tbilisi Teaching University,
