

# Roza Khutsishvili

## Personal Information

Name Surname: **Roza Khutsishvili**  
Date of Birth: 1949-10-12  
Sex: Female  
Citizenship: Georgian  
Phone: 599176733  
Email: [d.khutzishvili@gmail.com](mailto:d.khutzishvili@gmail.com)

## Education

Academic Degree: Ph.D./Equivalent to Ph.D  
Educational Institution: Georgian Polytechnic University  
Qualification: Doctor of Engineering Sciences  
Date of grant: 2008-12-18  
Country: Georgia

Academic Degree: Bachelor  
Educational Institution: Georgian Polytechnic University  
Qualification: Engineer-technologist  
Date of grant: 1975-02-28  
Country: Georgia

## Work Experience

Organization: Georgian Technical University  
Structural Unit: Scientific-Research Department  
Position: Referee  
Date of commencement of work: 2024-04-12  
Date of completion of work: 2024-04-21

Organization: Georgian Technical University  
Structural Unit: Food Production Engineering  
Position: Professor  
Date of commencement of work: 2014-10-06  
Date of completion of work: till today

Organization: Georgian Technical University  
Structural Unit: Department of Processes and Devices and General Chemical Technology  
Position: Associate Professor  
Date of commencement of work: 2009-09-06

Date of completion of work: 2014-09-30

---

Organization: Georgian Technical University  
Structural Unit: Department of Processes and Devices and General Chemical Technology  
Position: teacher  
Date of commencement of work: 1995-10-01  
Date of completion of work: 2009-06-30

---

Organization: Georgian Technical University  
Structural Unit: Department of Basic Organic and Petroleum  
Position: Synthetic  
Date of commencement of work: 1975-09-07  
Date of completion of work: 2024-09-30

---

Organization: Georgian Technical University  
Structural Unit: Department of Basic Organic and Petrochemical Synthesis  
Position: Scientist-Associate  
Date of commencement of work: 1973-04-22  
Date of completion of work: 1975-09-06

---

## Projects & Grants

Name of the project/grant: Increasing the nutritional value of bread made from wheat and rye flour using a natural biologically active additive - grape seed oil  
Position: Supervisor  
Donor: Faculty of Chemical Technology and Metallurgy  
Leader Organization: Technical University of Georgia  
Start | End Date: 2018-01-01 - 2018-10-08

---

## Leadership of educational programs

Program - Food Science and Technology

## Conference, Symposium, Award

- 2011-11-19 - Honorary Diploma No. 185, Academic Council of the Technical University of Georgia, for a long and fruitful pedagogical work, for great achievements in the education of students and youth
- 2013-05-13 - International Scientific-Technical Conference Problems of Applied Chemistry - "Properties and Uses of Coconut and Cocoa Oil"
- 2016-10-10 - International scientific conference "Problems of technological processes and

equipment of the food industry" - apple concentrate and flour confectionery

- 2015-04-06 - International scientific conference on innovative technologies for the production of functional food products Kutaisi-carrot concentrate and flour confectionery
- 2016-10-10 - International conference dedicated to the 70th anniversary of the establishment of the Department of Enterprise Equipment of the Food Industry - problems of improving the quality of food products - rye-wheat bread using biologically active additives
- 2017-05-22 - 85th Open International Scientific Conference of Students - Influence of Alternative Oak Barrel Materials on Wine Composition and Organoleptic Indicators
- 2019-05-30 - 87th open international scientific conference of students - wheat bread of Georgian variety rich in natural raw materials
- 2020-05-25 - Acad. International scientific methodical conference dedicated to the 85th anniversary of the birth of Givi Tsintsadze - Rye-wheat bread with natural enrichment "Chemistry - achievements and perspectives" -
- 2020-11-23 - International scientific and technical conference dedicated to the 80th birthday of Professor Viktor Eristavi - Exotic natural fruits in marmalade production "Environmental protection and sustainable development" -
- 2023-05-15 - Acad. International conference dedicated to the 90th anniversary of the birth of Givi Tsintsadze - the influence of wild rose on the nutritional value of marmalade
