

eter Sadaghashvili

Personal Information

Name Surname: **eter Sadaghashvili**
Date of Birth: 1980-02-21
Sex: Female
Citizenship: Georgian
Phone: 598771155
Email: etosadagashvili@gmail.com

Education

Academic Degree: Ph.D./Equivalent to Ph.D
Educational Institution: Technical University of Georgia
Qualification: processes and machines
Date of grant: 2006-06-30
Country: Georgia

Academic Degree: Master's/Equivalent to Master's
Educational Institution: Technical University of Georgia
Qualification: Organic Chemistry
Date of grant: 2003-07-15
Country: Georgia

Academic Degree: Bachelor
Educational Institution: Technical University of Georgia
Qualification: engineer-technologist
Date of grant: 2002-07-15
Country: Georgia

Work Experience

Organization: Georgian Technical University
Structural Unit: Food production engineering
Position: Associate Professor
Date of commencement of work: 2021-09-28
Date of completion of work: till today

Organization: Georgian Technical University
Structural Unit: Agricultural Sciences and Biosystems Faculty of Food Technology
Position: visiting professor

Date of commencement of work: 2015-09-01
Date of completion of work: till today

Organization: Georgian Technical University
Structural Unit: "Chemical and biological technologies"
department
Position: Assistant Professor
Date of commencement of work: 2014-09-01
Date of completion of work: 2021-09-01

Organization: Georgian Technical University
Structural Unit: Department of Food Industry department
Position: Specialist
Date of commencement of work: 2012-09-10
Date of completion of work: 2014-09-01

Organization: Georgian Technical University
Structural Unit: "Chemical and biological technologies"
department
Position: guest teacher
Date of commencement of work: 2012-09-03
Date of completion of work: 2014-09-01

Organization: Georgian Technical University
Structural Unit: Department of Mechanical Engineering
Position: head of the laboratory
Date of commencement of work: 2009-01-12
Date of completion of work: 2012-09-03

Organization: Georgian Technical University
Structural Unit: Department of Mechanical Engineering
Position: laboratory assistant
Date of commencement of work: 2008-01-07
Date of completion of work: 2009-09-08

Projects & Grants

Name of the project/grant: AR/347/3-120/12 "Development of rational technologies and devices for processing food-medicinal plant raw materials
Position: leading scientist
Donor: Technical University of Georgia
Leader Organization: Shota Rustaveli National Science Foundation
Start | End Date: 2013-03-04 - 2015-01-03

Name of the project/grant:	Project No. 42. "Sanitization and quality improvement of liquid food products"
Position:	leading scientist
Donor:	Technical University of Georgia
Leader Organization:	Technical University of Georgia
Start End Date:	2010-10-30 - 2011-10-30

Scientific Productivity

Scopus

Cited Index: SCOPUS CODE 1106

H Index:

Conference, Symposium, Award

- 2023-04-24 - International scientific conference dedicated to the 90th anniversary of Academician G. Tsintsadze conference. Achievements and challenges in distance learning in the chemistry class
- 2023-04-24 - International scientific conference dedicated to the 90th anniversary of Academician G. Tsintsadze Conference. The effect of wild rose on the nutritional value of marmalade
- 2016-06-06 - International scientific-practical conference Engineering technologies and environmental protection. Not considered for work in the refrigerator chamber New fan design
- 2016-11-15 - International conference on improving the quality of food products Problems. Rye-wheat bread using biologically active additives
- 2016-07-04 - International scientific-practical conference Engineering technologies and environmental protection. Extraction of fine fractions Increase in the processing of food-medicinal plant raw materials
- 2015-06-15 - - International scientific conference on functional nutrition Innovative technologies of product production Kutaisi. Carrot concentrate and Flour confectionery
- 2015-06-15 - International scientific conference on functional nutrition Innovative technologies of product production. Ozonation of potatoes during refrigerated storage
- 2015-05-04 - International Scientific Conference on Food Industry Technology Process and equipment problems. Processing of plant raw materials New technology and technological equipment
- 2015-05-04 - International scientific conference on food industry technology Process and equipment problems. Apple concentrate and flour Confectionery
- 2015-05-05 - International scientific conference on food industry technology Process and device problems. Vegetable raw lemon processing Device test results.
- 2013-05-06 - dedicated to the 80th anniversary of Akaki Tsereteli State University Innovative technologies of the international scientific-practical conference and Modern materials~. Fruit heliodrying equipment
